

# MT. HALEY TOWNSHIP NEWSLETTER

## SUMMER 2023 EDITION

Summer is here! As you may have noticed, there are many things going on in the township.

There are numerous road repairs taking place in the township this year. A few sections of township roads are being chipped and sealed, plus two miles of Homer Road have been repaved. There will be other road maintenance taking place to improve the roads in our township.

The Meridian Wind Park is in full operation. The township would like to thank the residents for allowing the construction crew a safe working environment.

The township has hired Frank Roenicke as our assessor. Frank is currently the assessor for numerous neighboring townships. He will also be visiting every parcel in the township for assessing over a five-year period. He will start at the south end of the township and work his way north. Your cooperation will be greatly appreciated. Frank Roenicke can be reached at (989) 708-1162.

Also, as a reminder, the township website is: [www.mthaleyp.com](http://www.mthaleyp.com).

This is our community we live and take pride in. The Board would like to thank everyone for keeping the township neat and clean.

The township board would like to wish everyone a safe and enjoyable summer.

Respectfully,

Ken Brown

Mt. Haley Township

Supervisor
