**Fiscal year 2021 - 2022 Review 14**

**PA 124 of 1989 District Library Formation**

Main Discussion Concerns:

Raising Costs and Fees as a district library, can the library be moved, board may be taken over by the municipalities, raising millage and rose and groveland contribution vs. district library, taxable vs. nontaxable,

Tina's comments of TLN system:

TLN and MEL systems better options?

MILibrary - Springfield doesn't participate, but many other TLN libraries do participate in this. 3 book items. Our cooperative is not all public libraries, but TLN cooperative is all public libraries.

Proposed Motion: It was moved by Joe Mishler and seconded by Kristin Watt to enter into negotiations with Rose and Groveland Townships to increase their contributions to the Holly Township Library.

Motion has been rescinded by Joe Mishler and Kristin Watt per Shannon's discussion item: She would like to take the time to look into contracts and do more research before doing this.

Greg is to reach out to Rose and the most updated information and information in the next board packet.

Groveland Townships to get contracts and he will put this

To Do list needed for next board? How does the board negotiate the contract? Scanning and digitization. Institutional history is not there.

Proposed Motion: It was moved by April Brandon and seconded by Joe Mishler to form a subcommittee to preserve the continuity of the future board's board and director's responsibility, review paperwork on hand to create a better work-flow for the library and its future board members and directors.

Roll: President A. Brandon - aye • VP J. Mishler - aye • Secretary M. Hill - aye • Trustee K. Watt - aye • Trustee S. Cole - aye • Trustee N. Nenadovich - aye
