Message from the Vice-President

From Tyler Alexander

Another great month has flown by, and I hope you're all doing well! It's been really hot out lately so make sure everyone protects themselves, and drink plenty of water when out. I also want to remind everyone in the club about scam emails that have been going on. If anyone is emailing, you saying it is me or another member of the club asking for money or anything else, it's a scam! An easy way to see if it's from tell me, look at the actual email address and see if it's mine, don't just look at the name on the top. If you are suspicious of one and want me to check, just call me.

Thank You,

Tyler Alexander
