NEW MEMBERS

Shellie and Ken Edwards come to us from Saint Cloud, Florida. Ken has been an avid Mopar fan for many years. Actually, Ken's father once owned a Chrysler/Dodge dealership. Hence, back in the 60's Ken could identify the make and model car at night by the back tail lights. Below are just some of the many rides Ken and Shellie own.

'33 Ford Coupe w/ Hemi

'95 Ram 1500 Sport

'90 Jeep Wrangler

'07 Dodge 3500

Great rides Ken & Shellie!
Looking forward to meeting you!

SANTA COMES EARLY
TO FULFILL WISH

So you say, Santa doesn't really fulfill wishes???? Just ask Tom Rowe; he would beg to differ.

Since 2008, the "New" Challenger has been one of his dreams to own. Knowing that 2023 would be the "last call" somehow this Challenger Shakedown found it's way to his driveway.

In Tom's words.....this 2023 Dodge Challenger Shakedown Special Edition features the infamous 392

Hemi, packs 485 h.p. and is a 6 speed tremec manual. It was inspired by a 1971 concept car of the same name that appeared at the 2016 SEMA show. Only 500 Challenger Shakedowns would be produced in pitch black with wide body (6 speed manual only) and 500 of the Shakedowns would be produced in destroyer grey with slim body (8 speed automatic only.) Congratulations Tom on your new ride!
