Message from the President

From Rachel Moyer

Hi Mobsters prayer for you and your families as well. Been busy with so much going on with us but we will get through it all. Looking forward to seeing you all at our upcoming meeting. I have a few surprises. Stay happy and in good health.

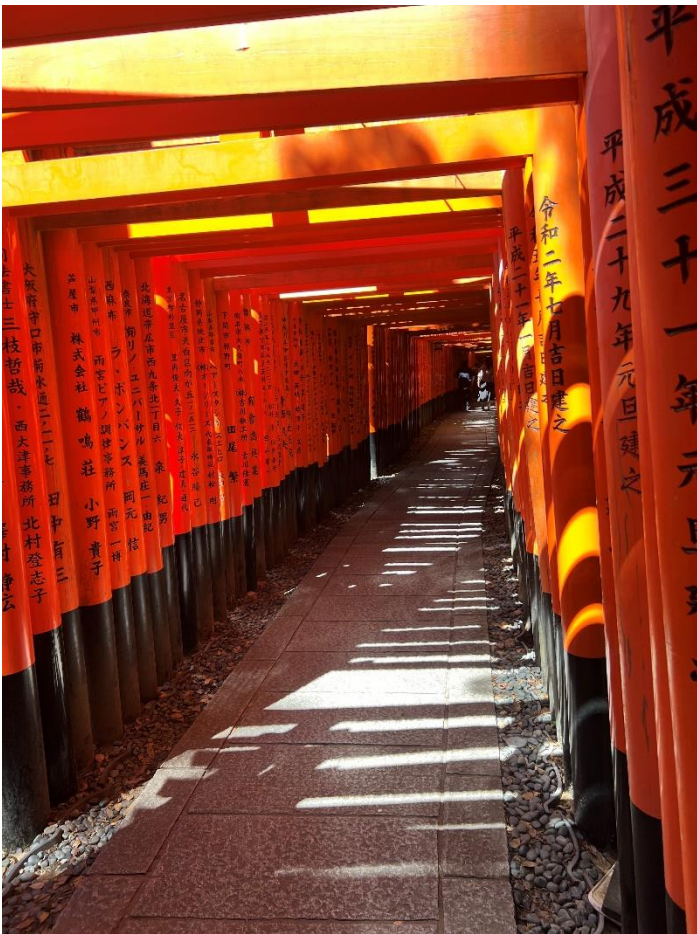

Rachel Moyer

BIG T's Corner

I recently took a two-week trip to Japan for business and sightseeing and found out just how wonderful it is. I started with a five day stay in Kyoto visiting historical palaces, shrines, and temples while immersing myself in the local culture and traditional crafts. During this stay I took a trip to Himeji and Hiroshima to visit the peace memorial park. I then went back to Tokyo for the rest of my trip exploring the world's largest city! I had very high expectations going into this trip about Japan, but they were soon exceeded by just how amazing everything is. The trains and public transport were extremely impressive as they were always on time and clean. The food was on another level with everything being very cheap while being of exceptional quality. The quality of the service and kindness was the best I've ever experienced as they treat you with the upmost respect everywhere you go, not just in shops but on the street as well. Overall, I can't go back!

Joseph Naulty

Sadly, we lost fellow Mobster, Joseph Naulty. Although, with his disabilities associated with hearing and sight, it never hindered him for the love of the automobile. He had many cars over the years, notably Model A Fords and his cherished 1979 'Lil Red Express. He couldn't drive them but was able to work on them to a certain extent. He knew what could possibly be wrong mechanically and with assistance could aid in their repair.

I remember the day I drove his 'Lil Red Express with him to the Strawberry Festival at the Brevard Community College, Palm Bay location. Joe loved car shows and whenever he could, he would attend. On arrival, we parked and sat under the MOB tent (in close proximity) waiting for judging to start. When it was time for the 'Lil Red Express to be judged, it was asked, "Who owns this truck?" Near by, James Auchter (fellow mobster) explained that it belonged to Joe with explanation of his disabilities. Time went by and the announcement of the Trophy presentation would be soon underway. I then told Joe we would have to move so walked him to the location with his folding chair in hand. As we were situated, it wasn't long other car owners had moved in front of us and visibility was limited, but I could hear. When it was time for the Best Truck presentation, it was announced that "Joe Naulty" was the winner. Upon hearing this, I told Joe "You WON Joe!" We soon made our way to the "front of the pack" and Joe was moved with emotion; you could see the tears form. What a day! On the way home, he was so excited that he cell phoned Arlene (working) to say what happened. I am not sure how much of the conversation Arlene could have heard as the windows were rolled down and the sound of traffic was horrendous.

"Good Job, Joe!" What a proud Mobster and inspiration for others. We miss you my friend!! I believe you have no disabilities now and can enjoy the cars/trucks you love so much more fully.
