President's Message,
By Doug Korb

Although we're all members of Redhawk this is the season to enjoy golf at many places and many courses. In the next month I'll be spending 4 days in Palm Desert followed by 4 days at South Lake Tahoe. Talk about different environments, this is it. Beautiful golf can be found everywhere, as shown by my upcoming trips. I encourage you to do the same. Grab some buddies and hit the road. Great golf, and fellowship, can be found all over the country. Travel safe and enjoy.

Membership Update,
By Mike Re

As of April 20th, Redhawk Golfers Club has 105 members. We have three new members since last month.

Please welcome:

Zigmund Sepanski
Daniel Molina
Jeff Chrapczynski

Zigmund, Daniel and Jeff all reside in Temecula. Please extend a warm welcome to our new member at our next Tournament.

In addition to these new members, we have a new family that's joined us at Redhawk. They can be seen behind the 16th tee, between the cart path

and the homes. Mom, Dad, and 2 owlets can be seen watching you tee off. Check them out.

Thanks to Jeff Okun for the photos.

Handicap Update,
By Alan de la Sierra

As the days become longer, and warmer, there's a tendency to play a little more golf. It's not uncommon that this extra golf might be before, or after, work. Maybe a twilight game, etc. This type of game often is just a few holes, or maybe lot of holes, but not a full 18.

So, the question that many players ask is 'do I post my score, and if so, how?' The short answer to 'do I post?', is YES. The 'how' can be found **here.**

Rules Update,
By Greg Stoffel

Tournament Update,
By Roger Morey

April Tournament

Our April tournament was a 2 Man Best Ball (Net). Congratulations to **Roger Morey** and **Scott Wild** for posting a fine 60 to win by 3 shots.

It should also be noted that our Match Play competition has been completed with **Jon Wilkerson** outlasting **Tai Kreider**, 4 & 3. Congratulations to Jon as well.

All tournament results can be found **here.**

Our May tournament will be held on the 17th, and will be a two-man Pinehurst competition. Find a partner and sign up with our Tournament Director.

Short Putts

CPR Class

Six players from our Tuesday group participated in a CPR class last week. Although we hope to never **use** this knowledge it's great to have guys that are ready to help others if needed.

New Scorecards

Beginning May 1st, you'll see new scorecards at Redhawk. While there's a modified design, more importantly you'll see the new slope and course ratings as a result of the SCGA's recent rating of the course. These ratings will also be found on their website when posting your scores. Keep in mind that new ratings will result in a different handicap for the same score prior to the ratings.

Divot Repair

Please review this essay on divot repair. Filling divots properly is the responsibility of all of us. **Repairing a Divot**

Choice of Tees

For those of you that play on Tuesdays there are 3 Tuesdays in May. That means there's an extra week of 'choice of tee'. You'll get to pick your tees on May 3, 10, & 31. Enjoy.

Congratulations to Isaac Rodea

We have some really good, young, players at Redhawk. Among them is **Isaac Rodea**, son of one of our members, **Enrique Rodea**.

Isaac recently competed, and won, the Wyoming Cowboy Classic, a Division 1 college tournament. Playing for Long Beach State, Isaac posted a 13 under par score to win by 1 shot among the 128 competitors. Our congratulations to Isaac and best of luck in the future. **Tournament Results**
