

2022 CLUB CHAMPIONSHIP

SEPTEMBER 20th & 22nd

- All players must meet the Men's Club qualifications as defined in the club rules section of our website. To be eligible to compete, the member must have competed at least 4 times on Tuesday within the previous 13 weeks and 10 times in the preceding 12 months. The Board of Directors may waive these conditions. These qualifications must be met for both the Gross & Net Championships, but not for KP's and skins.
- All play is to be completed at our normal start time of 8AM on the respective days.
- Players competing for the Club Championship (Gross) will play from the Blue Tees. Players competing for the Net Championship can play from the Combo tees. All players competing for the Club Championship (blue tees) are also eligible to win the Net Championship, gross place having priority. Once selecting the blue tees to qualify for the gross championship, the blue tees must be played for both rounds.
- Everyone is to play the ball down, unless announced differently prior to play. We will attempt to mark GUR prior to the 20th.
- Bunkers will be played as follows:
 - A player will be allowed to place his ball within 1 club length if his ball is in a footprint. The ball is to remain in the bunker. Consult with your playing competitors prior to moving your ball.
- We will use a player's Handicap Index as of September 19th per the SCGA report provided to us. The same handicap will be used for both rounds.
- Foursomes will be picked by our Tournament Director as follows:
 - Day 1 will be by gross and net flight and by Handicap Index.
 - Day 2 will be in reverse order of our Day 1 leaderboard. Lowest Scores last.
 - Day 2 Gross & Net leaders will play in the last groups.
- Buy in:
 - \$30 will be required on Day 1 (Sept. 20). This will be a \$15 buy in for each competitive round (Sept. 20 & 22).
 - A \$5 skins game will be optional each day (\$10 for both days). Payable on the first day of the event for a total of \$40.
- Men's Club Contribution:
 - The Men's Club will add \$200 to the prize pool for the Gross & Net payouts.
 - i.e., If 30 players enter at \$30 each the pool will be \$900. The Men's Club will contribute another \$200, making the pool \$1100. Of course, this amount will change depending on the number of players entered. The \$200 contribution will remain the same.
