Junior Showmanship, also called Junior Handling, is a sport for young people in which they exhibit their dog handling skills in an event similar to a conformation dog show. Unlike a conformation show, it is the young handlers who are judged, not their dogs.

We will offer a **Non Competitive Junior Handling Competition** which is sponsored by Ray and Perianne Williams of Saddle Bag Aussies.

The American Stock Dog Registry "ASDR" offers two age groups for our Junior Handler Competition. Juniors 13- 18 and Juniors Under 13.

Our Judges will award placement ribbons in each of the age groups. The winners from each age group will then come back in and compete for **Best in Show Junior Handler** and **Reserve Junior Handler**.

Our **Best in Show Junior** will receive a Best in Show Tack Box and Our **Reserve Junior Handler** will receive a Dog Shammy Dryer.

# The Charlie Dahly Memorial Award

The Charlie Dahly Memorial Award will be awarded to most improved adult handlers at their very first dog show. Our Judges will determine the winner together.

Charlie started his "show career" in Australian Shepherds in the mid 70's at the encouragement of his brother, Gene. Through the early years of his career, Charlie advanced his professional apprenticeship/training under several world renowned professional handlers including Adelene Pardo. Charlie continued showing and competing with his own dogs in conformation and obedience, titling his first Aussie, CH Blackoak Checkerboard Square, CD to her championship and Companion Dog in the Australian Shepherd Club of America. Checker's championship and obedience title helped Gene earn his first Hall Of Fame Dam Award. Later as President of ASCA, Charlie would take Australian Shepherds to the American Kennel Club, recognized in 1990.

In the mid 80's, Charlie acquired his first Pembroke Welsh Corgi, BISS CH Triumph's Russian Bear, CDX, from breeder Marian Your. The plan was to put some obedience titles on Bear but that plan soon changed stepping into the AKC conformation show ring. Charlie and Bear went on to finish Bear's Championship & Companion Dog Excellent quickly, putting Bear in the Top 5 in Breed and All-Breed, nationally for the next 3 years. "Mr Corgi" was born...

Charlie handled a multitude of breeds, showing many to their championships, Best in Show and/or even Number 1. Later, Charlie joined Nancy Kretschmer (Tiffany Kennels ~ Pembroke Welsh Corgis) and Bill/Liz Patterson (Canfield Kennels ~ Cardigan Welsh Corgis) in co-breeding, owning and showing both breeds of Corgis.

Charlie never forgot his humble beginnings and how it felt to be a novice in dogs/dog world. He paid it forward many times, taking numerous "newbies" and junior handlers under his wing. His biggest joy next to winning for his clients, was to watch those he helped, blossom, grow and succeed in the ring. Countless students have gone on to be professional handlers, even winning Westminster and Crufts.

For those who have won the prestigious Charlie Dahly Memorial Novice Adult Handler Award, forget not the legacy you carry with you each time you walk in ring... Listen closely for the whisper in your ear, it is Charlie guiding and cheering you on.

**Scent Work** is a positive, challenging activity that allows dogs the opportunity to use their strongest natural sense in a way that's fun, engaging, and that builds and strengthens a foundation of trust between the handler and dog.

The first step in competing with ASDR is passing the Odor Recognition Test or "ORT". Once a dog has completed an ORT it can go onto compete in Trials in containers, interiors, exteriors, vehicles and buried.
