

Dear Harrison Lacrosse Supporter,

This letter is intended to provide fundraising and sponsorship information for the Harrison High School Lacrosse Team, an official club of Harrison High School (HHS) but is not financially supported by the school or by Tippecanoe School Corporation. We are actively seeking sponsors / advertisers to help build our actively growing club. Coaches and board members are parents and community members who assist on a voluntary basis.

Like many sports, lacrosse has significant costs. Currently, players are required to provide their own lacrosse equipment and uniforms. Funds raised will be used to offset the cost of acquiring and maintaining necessary team provisions such as goalie protective gear, field equipment and operating costs. It further offsets the cost of indoor practice facilities, outdoor game field rentals, paying game referees and officials and athletic trainers. We are also pleased to offer scholarships to any student athlete who otherwise would be unable to pay.

Please consider assisting the Harrison Lacrosse Club by becoming a sponsor. Your sponsorship will provide the following benefits:

Up to \$250 Your logo will be displayed on all signs, posters, flyers and social media used to promote the club team. It will be displayed on all written and digital correspondence used by the club leaders and coaching staff.

Over \$250 Your logo will be placed on the Lacrosse Club T-shirt that is worn by players and available for purchase. You will also receive free admission for you and a guest to any boys and girls lacrosse home games during the current season.

Sponsorship checks are to be made payable to Harrison Lacrosse and can be sent to Joy Plassard, Fundraising Chair. 714 N 400 West, West Lafayette, IN 47906.

If you have further questions, please don't hesitate to contact a board member. Thank you for your consideration of sponsoring the Harrison High School Lacrosse Club Team.
