

# DRUG AND ALCOHOL POLICY

---

## TERMS

Drug and alcohol abuse contribute to billions of dollars of lost productivity and thousands of work place injuries every year. Our policy is to employ a work force free from alcohol abuse or the use of illegal drugs. This company takes drug and alcohol abuse as a serious matter and will not tolerate it. The company absolutely prohibits the use of alcohol or non-prescribed drugs at the work place or while on company or site premises. It also discourages non-work place drug and alcohol abuse.

The use, sale or possession of alcohol or drugs while on the job or on company property will result in disciplinary action, up to and including termination, and may have legal consequences. Employees are expected and required to report to work on time and in appropriate mental and physical condition for work. It is our intent and obligation to provide a drug-free, healthful and safe work environment.

GTS Recruitment or a Host Employer reserves the right to demand a drug or alcohol test of any employee based upon reasonable suspicion. Reasonable suspicion includes, but is not limited to, physical evidence of use, involvement in an accident, or a substantial drop off in work performance. Failure to take a requested test may lead to discipline, including possible termination.

The company also cautions against use of prescribed or over-the-counter medication which can affect your work place performance. You may be suspended or discharged if the company concludes that you cannot perform your job properly or safely because of using over-the-counter or prescribed medication. Please inform your supervisor prior to working under the influence of a prescribed or over-the-counter medication which may affect your performance.

Employees must report any conviction under a criminal drug statute for violations occurring on or off the Company's work site premises while conducting company business. A report of a conviction must be made within 7 days after the conviction. GTS Recruitment will make every effort to assist its employees who wish to seek treatment or rehabilitation for drug or alcohol dependency. Conscientious efforts to seek such help will not jeopardize any employee's job and will not be noted in any personnel record. You may also be required to agree to random testing and a "one-strike" rule.

If you have a drug or alcohol problem, please ask for our help!
