*Katie Hester will be checking all exposed auction females  
Friday, Sept 1 ~ Come learn how its done!*

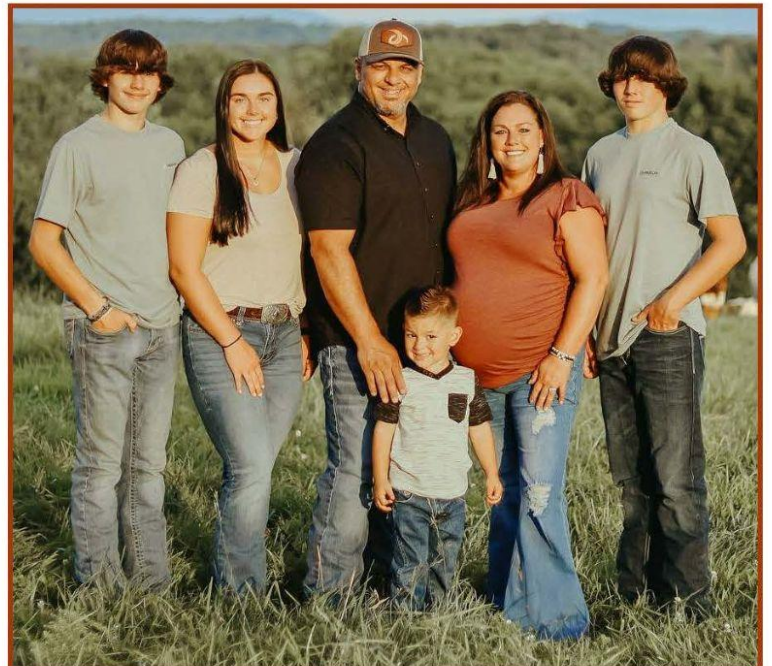

Katie Hester was born and raised in Cleveland, TN. Her family owned and operated one of the most popular horse auctions in the southeast for many years (Armer's Livestock Auction). Katie has a diverse background, with experience in both medical assisting and performing ultrasounds on the farm. Working as a medical assistant in an OB/GYN setting for 10 years, Katie has extensive knowledge and expertise in women's healthcare, and she has translated that knowledge to livestock on the farms in her region.

Katie and her family now own a farm called Heritage 6 located in Cohutta, Ga The family dedication, hard work, and love for livestock help maintain the overall operations of the farm. They raise Goats, Cattle, Horses & Chickens.

Katie and her husband Brian are blessed with four children, with another child on the way. Family life can be busy and fulfilling, especially when raising children and managing work responsibilities. Brian's dedication and love as a hardworking husband contributes to the family's well-being and success.

Feel free to reach out - *we'd love to hear from you!*

# Spanish Goat Gathering Speaker

Dr. Browning is a graduate of Prairie View A&M University and Texas A&M University. He is a professor at Tennessee State University, and is the Faculty Director of the Animal Physiology Lab -- *Ruminant Animal Research*.

Dr. Browning's studies focus on meat goat and cattle production. He has written several publications on breed effects and genetic decision making.

Dr. Browning's talks will leave attendees with a deeper understanding of Spanish Goats, meat production, and best management practices.

*Friday ~ September 1st ~ Speaker*

## **Natham Marker**

**PCR Livestock**

*Spanish Goat Registry Platinum*

*Certified Breeder*

*Syfan Bloodline*

Nathan is a fifth generation cattle rancher in the flint hills of Kansas. He attended Butler Community College for Ranch Management.

Nathan believes we are stewards of the land and livestock that has been entrusted to us by the Lord. Nathan and his wife are raising their children on the ranch as he maintains a herd of Syfan Spanish goats and hair sheep along with the family cattle.

Nathan will be speaking on multi species grazing and land management. Over his years of raising multiple species on grass, Nathan realizes the importance of raising animals with little input. Additionally, Nathan is passionate about land management without the use of chemicals.

Nathan and his family manage several thousand acres of Flint Hills pasture utilizing cattle, sheep, and goats.

Look for PCR Livestock's ad in the this catalog to see Nathan's excellent her of Syfan Spanish goats.

# Spanish Goat Registry Buyer Checklist

spanishgoatregistry.com ~ 888-463-5999

## “Before you Buy ~ Verify”

**~ For Buyers of Seed Stock Quality Fullblood Spanish Goats ~**

**Is the Seller a Spanish Goat Registry Certified Breeder?**

*Active Breeder List can be found on the spanishgoatsllc.com website.*

**Are the Dam and / or Sire DNA Registered with Spanish Goat Registry?**

*A list of DNA Registered goats can be found on the spanishgoatsllc.com website.*

**What is the Bloodline of the Goat(s) being Sold?**

*Spanish Goat Registry records the Bloodline of all Goats being DNA Registered? The bloodline is either listed as a Full Bloodline or as Fullblood Spanish Goat. Example: A Full Bloodline Sawyer Dam and Sire will be DNA Registered as Sawyer and their offspring will be DNA Registered as Sawyer. Example: If the Dam and Sire are two different Bloodlines, the offspring will be DNA Registered Fullblood Spanish Goat.*

**Both Buck and Doe Questions:**

*One Clean Teat on Each Side ~ tags, fishtails or other teat abnormalities are not desirable.  
Solid bit and Mouth full of teeth.*

**Doe Specific Questions:**

*Has this Doe been bred?*

*Has this Doe kidded?*

*How many times has this Doe Kidded?*

*Has this doe been flushed with hormones or other reproductive medications?*

*Has this Doe had eggs/embryos collected?*

*Has this Doe been inseminated with semen, and/or eggs/embryos?*

*Has this Doe ever aborted or failed to wean kids?*

**Buck Specific Questions:**

*Does this Buck have less than ½” scrotal split at 18 months?*

*Does this Buck have two testicals equal in size and shape?*

*Has this Buck sired kids?*

*Has this Buck had semen collected?*

*If so what was the method used – dummy or electric ejaculator?*

*If so how many times?*

*If so how many straws were collected?*

*If so how many straws have been sold?*

*If so how many straws has the collector retained?*
