2020 POA DUES

INVOICES FOR 2020 WBPOA DUES ARE NOW PAST DUE. If for any reason you did not receive your notice, contact Sterling ASI as soon as possible at (832) 678-4500 and ask for Roxanne, Amy or anyone at Sterling, who will be more than happy to assist you. For the POA to best serve the community and properly maintain our amenities, POA dues are to be paid promptly. Non-payment of dues severely impacts our community, as we cannot maintain the common areas, clubhouses, parks, pool and tennis court without your dues. Therefore, non-payment of dues will restrict use of community amenities as it is not correct to allow usage to those whom are not paying for the upkeep.

POA DUES – ADDITIONAL INFORMATION

Payment coupons for POA dues were are not an agreement to enter into a payment plan; however, there is a payment plan option. However, you must have selected the payment plan option before the end of February 2020. If for any reason you were not be able to make payments or select the payment plan option prior to the deadline, then please contact Sterling or your POA Board AS SOON AS POSSIBLE, as it is imperative that the HOA receives payments so as to stay in line with the 2020 Budget. If you lost the payment coupon, you are welcome to pay via the WBPOA website or to mail your payment to the following:

West Bellfort POA
c/o Sterling ASI
PO Box 38113
Houston, Texas 77238-8113

Please specify the property address you are making payment for in the memo line of the check; alternatively, you are welcome to include a separate piece of paper with the address and any other particulars to ensure your payment is properly applied.

Our WBPOA Community

Community Dollars

It is very important to pay your WBPOA dues in order for the Board to address continuous needs for the common areas of the neighborhood. This includes maintenance and cleaning of the clubhouses, the pool, the parks and the landscaping needs of the community. There are plans in the works for upgrades to the parks during 2020. Unfortunately, the improvements will be a big impact on the budget, but the work is very much needed. The Board appreciates your continued patience as the Parks and Recreation Committee hashes out the details, and more information will follow in later newsletters. However, the Board must have the operating budget in order to address these and other issues, so would appreciate your prompt payment of your 2020 dues.

Community Schools

Our children are our greatest treasures – so please do your part in helping to protect them! Please keep an eye out for the children walking to / from our community schools, especially at intersections. Please **SLOW DOWN**, pay attention to the speed limit and stop signs in all areas of our neighborhood!

Community Parks

Spring is here!! Perfect weather for enjoying our parks and tennis court!!

Reminder: Your POA dues have to pay for cleaning the parks, so please respect our community parks and ensure to place garbage in the provided bins. Thank you!

Community Clubhouses

Our clubhouses stand at the ready to host family events during the holidays! Please contact Joy Cunningham to book the Ludington Clubhouse or Jeannette Calhoun for the Braesridge Clubhouse. Their contact details are on the front of the newsletter.

Ludington Pool

The pool is now closed until May – but don't worry, swim time will be here again before you know it!

Community Involvement

We want you.... to be an active member of your community!! Come to a Board meeting, contact one of your POA Board Members or Roxanne Martinez of Sterling Management to find how you can serve on one of the Board committees or serve as a Block Captain!

The City of Houston and Mayor Turner remain on high alert for the Coronavirus, aka COVID-19. The following is a message from the City's Health Department and our Mayor:

While Coronavirus Disease 2019 (COVID-19) is a serious public health threat, perspective is important. *"The real viral threat to Houstonians right now is the flu,"* said Dr. David Persse, local health authority for the Houston Health Department. *"Every year, there are upwards of 40,000 preventable flu-associated deaths in the United States."* We continue to closely monitor the threat of novel coronavirus, now officially known as COVID-19. **There are currently no confirmed cases of COVID-19 in Houston and the threat in our city remains low.**

There will likely be more US cases in the days and weeks to come. If a case is confirmed in Houston, we are ready to respond. The Houston Health Department routinely investigates and contains infectious diseases and is well-prepared to handle a case of COVID-19. While COVID-19 is an evolving public health threat, based on current information, the risk to Americans remains low and there is no need for people to take out-of-the-ordinary preventative actions. Information about COVID-19 transmission, prevention, symptoms, cases and more is available on the Houston Health Department website at <http://www.houstontx.gov/health/Epidemiology/2019-nCoV.html>.

Houston-specific information, including rumor control, is available on the Houston Office of Emergency Management website at <https://houstonemergency.org>.

Message from Mayor Turner

Dear Houstonians and visitors,

I continue to closely monitor the threat of novel coronavirus, now officially known as COVID-19. **There are currently no confirmed cases of COVID-19 in the city of Houston and the threat in our city remains low.** Public health officials indicate there will likely be more U.S. cases in the days and weeks to come. If a case is confirmed in Houston, we are ready to respond. The Houston Health Department routinely investigates and contains infectious diseases and is well-prepared to handle a case of COVID-19. On Feb. 13, a person under quarantine at Lackland Air Force Base in San Antonio became the first confirmed case of COVID-19 in Texas. It's important to know this individual has been in quarantine since arriving to the base and poses no increased risk to the public. While COVID-19 is an evolving public health threat, based on current information, the risk to Americans remains low and there is no need for people to take out-of-the-ordinary preventative actions. According to Dr. David Persse, local health authority for the Houston Health Department, the more serious viral threat to Houstonians right now is the flu. Every year, there are upwards of 40,000 preventable flu-associated deaths in the United States. While COVID-19 is a new respiratory disease, ways to prevent it mirror flu prevention:

- Wash your hands frequently
- Avoid touching your eyes, nose, and mouth
- Avoid close contact with people who are sick
- Stay home when you are sick
- Cover your cough or sneeze
- Clean and disinfect frequently touched objects and surfaces
- Get a flu shot. Although the flu vaccine does not offer protection from novel coronavirus, this situation is a good reminder to get your seasonal flu shot if you have not already done so.

I'm aware of false rumors regarding businesses in Houston's Asian community. Dr. David Persse reiterates there is currently no reason for people to avoid any Houston business due to concerns about COVID-19. **I encourage you to support the businesses in our Asian community as many have been negatively impacted by false rumors.**

Please stay up-to-date by visiting bit.ly/2020Coronavirus and following @houstonhealth on [Facebook](#) and [Twitter](#).

Sincerely, Mayor Sylvester Turner

It's not too late for a flu shot

REMINDERS & FYI

WBPOA is a deed restricted community and its Board is responsible for ensuring the restrictions are followed by all homeowners and / or their tenants. Real estate agents are required to provide copies of deed covenants to all home buyers. Homeowners are legally responsible for any non-compliance of the restrictions by tenants. A summary of restrictions is attached to the newsletter. For a full list of restrictions, please refer to the WBPOA Deed Covenants provided by your realtor; alternatively, the deed restrictions and other association documents may be found at www.westbellfortpoa.com (under "Documents") or please contact WBPOA's property management company, Sterling Association Services, at 832-678-4500, or contact any of your Board Members. Non-compliance of WBPOA's Deed Covenants allows the WBPOA to implement fines, fees and other rights to enforce deed restrictions; non-payment of such grants additional rights and powers to the WBPOA.

Before doing any new work to the exterior of your home (landscaping, roofing, windows, etc.), you must obtain approval from the Board by completing an ARC application. A copy is found a the back of this newsletter.

THE IMPORTANCE OF CURB APPEAL

Your home is one of the most major investments you will make in your lifetime. Maintaining a home from the inside out is critically important to retaining its value over time. The more mature your home becomes, the more important it is to maintain it. This applies to your curb appeal as well.

Curb appeal is very important, not just for the appearance of your home, but for the entire neighborhood. Keeping up the appearance of the exterior of your home may not be as exciting as decorating the interior, but in many ways it is much more important. If a majority of the homes in the neighborhood are allowed to fall into poor condition, this screams “we don’t care about our homes”.

Attached to this newsletter is some further information about curb appeal. It should start with the condition of your house, the grass, landscaping, plants, fencing, etc. Little things like keeping bins out of sight, cleaning leaves out of the gutters, power-washing mold and fungus off the bricks or hosing the driveway may seem insignificant, but it all adds up to an attractive, well-kept appearance. Things like loud exterior paint colors, broken down cars, piles of trash, boats in driveway, falling gutters, broken fences can make your house look trashy and ill-maintained... and makes the entire neighborhood look trashy and ill-maintained. Worn down houses invite things like rodents, snakes and crime!

Your POA Board is charged with protecting the overall value and appearance of the neighborhood. Their duty is to ensure all homeowners follow the deed restrictions. The Board and property management company are not being “mean” by enforcing the rules and regulations – they are doing it because they care about the community and wish to protect not only your home values, but our neighbors as well. A poorly maintained community is a magnet for the criminal element. So by simply maintaining your home, inside and out, you are actively participating in maintaining your home value, the overall home values in the neighborhood and helping to reduce crime. Therefore, please do your part by respecting the rules and regulations of WBPOA. **REMINDER: any improvements or major exterior work to your home (front and back) including painting, landscaping, etc. must be approved by the ARC Committee. The ARC Committee approval form is located at the back of this newsletter.**

Texas Transportation Code - TRANSP § 545.302

Stopping, Standing, or Parking Prohibited in Certain Places

The City of Houston and the WBPOA are very strict about enforcing the State’s neighborhood parking regulations. Non-adherence to these regulations will result in a parking violations / fines from the City, as well as violation notices from WBPOA. **The homeowner illegally parked or whose tenants are illegally parked will be financially responsible for any resulting fees incurred by the WBPOA to enforce the regulations.**

Under 545.302(a), An operator may not stop, stand, or park a vehicle in the following manners:

1. on the roadway side of a vehicle stopped or parked at the edge or curb of a street;
2. on a sidewalk;
3. in an intersection;
4. on a crosswalk;
5. between a safety zone and the adjacent curb or within 30 feet of a place on the curb immediately opposite the ends of a safety zone, unless the governing body of a municipality designates a different length by signs or markings;
6. alongside or opposite a street excavation or obstruction if stopping, standing, or parking the vehicle would obstruct traffic;
7. on a bridge or other elevated structure on a highway or in a highway tunnel;
8. on a railroad track; or
9. where an official sign prohibits stopping.

(b) An operator may not, except momentarily to pick up or discharge a passenger, stand or park an occupied or unoccupied vehicle:

1. in front of a public or private driveway;
2. within 15 feet of a fire hydrant;
3. within 20 feet of a crosswalk at an intersection;
4. within 30 feet on the approach to a flashing signal, stop sign, yield sign, or traffic-control signal located at the side of a roadway;
5. within 20 feet of the driveway entrance to a fire station and on the side of a street opposite the entrance to a fire station within 75 feet of the entrance, if the entrance is properly marked with a sign; or
6. where an official sign prohibits standing

WBPOA residents can request vacation watches from Constable Precinct 7 for vacation planning needs. You can register for a deputy vacation watch by visiting the Precinct 7 website

<https://constable7.harriscountytexas.gov> and select "Vacation Watch". Forms need to be completed at least 7 days in advance.

See Something, Say Something!

PLEASE NOTE: There has recently been some questions about the Precinct 7 Constables in our contract patrolling the new neighborhood along Pembridge and the end of Ludington. THESE ARE SEPARATE DEPUTIES who are assigned to that community and they are NOT the deputies assigned to our contract. Our deputies are listed on the front of this newsletter. While the deputies in the new contract are not assigned to our neighborhood, the fact they are with the same Precinct will only enhance our patrol as well. Should you have any concerns about our coverage, please contact Barbara Hite, your Board president, any Board member or Sterling ASI. You are also welcome to come to a Board meeting to express your concerns. **If you plan a trip out of town, please get registered with Precinct 7 for a vacation watch – our patrol officers will be happy to help keep an eye on your home.**
