WBPOA BOARD MEETING
Tuesday,
March 22, 2022
@ 6:30pm
Via Conference Call*

*Meetings continue to be held via conference call due to CDC and CofH guidelines. If you do not receive this information soon, please contact Sterling Management.

2022 POA DUES

The invoices for 2022 POA dues were mailed in November. We understand with the current COVID-19 crisis some may be experiencing unforeseen financial difficulties. If this applies, please contact Sterling ASI as soon as possible at (832) 678-4500 and ask for Roxanne, Cindy or anyone at Sterling for assistance in arranging a payment plan. While the Board is understanding of these unprecedented times, for us to best serve the community and properly maintain amenities, POA dues must be paid. Non-payment of dues severely impacts our community, as amenities cannot otherwise be maintained. Therefore, non-payment of dues will restrict use of community amenities as it is not correct to allow usage to those whom are not paying for the upkeep.

POA DUES - ADDITIONAL INFORMATION

Payment coupons for POA dues were are not an agreement to enter into a payment plan. As stated above, if for any reason you were not be able to pay your dues, please contact Sterling or your POA Board AS SOON AS POSSIBLE, as it is imperative that the HOA receives payments so as to stay in line with the 2022 Budget; the payment coupons have been mailed already, but you are also welcome to pay via the WBPOA website or to mail your payment to the following:

West Bellfort POA c/o Sterling ASI PO Box 38113 Houston, Texas 77238-8113

Please specify the property address you are making payment for in the memo line of the check; alternatively, you are welcome to include a separate piece of paper with the address and any other particulars to ensure your payment is properly applied.

Volunteers Needed to Serve as Block Captains

Block Captains are residents who volunteer their time and efforts to The community to serve as "point persons" between the residents, the POA Board, its committees and The property management team.

You will not be asked to do anything that puts yourself in harm's way. The time involved is minimal. By serving as the "eyes and ears" of The community, you will play a big part in keeping it safe, friendly and beautiful. You can even "co-share" and team up with a neighbor. If you have an interest in serving as a Block Captain, please contact any of the Board members or Roxanne Martinez of Sterling Management, or attend the upcoming Virtual Board Meeting on Tuesday, March 22, 2022 at 6:30pm.

If for any reason a household has too much trash to fit inside the black garbage bin, residents can purchase city stickers to place on the outside of large plastic garbage bags. The stickers can be purchased from Fiesta or Seller's Brothers customer service windows or at hardware stores. The stickers MUST be visible street side, or the bags will not be picked up.

Residents with physical limitations can contact 311 and complete a Solid Waste Pickup Request Form (for either regular trash or recycles, or both) to qualify for special pick up services. If qualified, city services will then pick up from the residents' specified locations and return them to the same location when emptied. The location MUST be out of sight from the street, but accessible to the city services (ie, behind unlocked fence gate).

HPD Offers Prevention Tips to Help Fight Catalytic Converter Thefts

Investigators in the Houston Police Department Auto Theft Division are warning motorists to be aware of a rising national crime that has also hit Houston: catalytic converter thefts. Thefts of the converters in the city so far in 2021 have increased by 300% compared to the same time period last year. The converters contain precious metals and can be stolen from a vehicle in less than two minutes. While any vehicle with a catalytic converter is susceptible, there are six models of vehicles most often targeted:

- Toyota Tundra
- Toyota Prius
- · Toyota Tacoma
- Ford F-250
- · Honda Element & CRV

Auto Theft Division Sergeant Tracy Hicks says there is no favored time for the thieves to target the vehicles. "Thefts are happening day and night, but most seem to happen during the day in crowded parking lots with lots of noise to cover up the noise of removal of the converters," said Sergeant Hicks. Victims are shocked when told the cost of replacing a stolen converter. Repairs can cost anywhere from \$3,000 to \$10,000 for some vehicles, some of which have as many as four catalytic converters. Due to the rise in converter thefts across the country, back order on these parts can be more than three months. Residents are urged to follow some prevention tips to help lessen chances of becoming the next in a long line of property crime victims:

- Park in well lighted areas
- Use your garage
- Etching your VIN or license plate into your converters
- Bright high temp paint (lets police know converter has been marked)
- · Install a skid plate or large cover to the bottom of your vehicle
- · Upgrade car alarms to activate when the vehicle is jacked up on one side
- Aftermarket products like straps or wire cages that make it much more difficult for your converter to be cut off

Sergeant Hicks says vehicle owners can follow three steps to protect themselves: Etch it – Paint it – Cover it. Watch Sergeant Hicks discuss and demonstrate some of these tips on the HPD YouTube channel at https://www.youtube.com/watch?v=yTaS4IL0pWw

Before doing any new work to the exterior of your home (landscaping, roofing, windows, etc.), you must obtain approval from the Board by completing an ARC application. A copy is found at the back of this newsletter.

DEED COVENANTS & RESTRICTIONS

WBPOA is a deed restricted community and its Board is responsible for ensuring the restrictions are followed by all homeowners and / or their tenants. Real estate agents are required to provide copies of deed covenants to all home buyers. Homeowners are legally responsible for any non-compliance of the restrictions by tenants. For a full list of restrictions, please refer to the WBPOA Deed Covenants provided by your realtor; alternatively, the deed restrictions and other association documents may be found at www.westbellfortpoa.com (under "Documents") or please contact WBPOA's property management company, Sterling Association Services, at 832-678-4500, or contact any of your Board Members. Non-compliance of WBPOA's Deed Covenants allows the WBPOA to implement fines, fees and other rights to enforce deed restrictions; non-payment of such grants additional rights and powers to the WBPOA.

THE IMPORTANCE OF CURB APPEAL

Your home is one of the most major investments you will make in your lifetime. Maintaining a home from the inside out is critically important to retaining its value over time. The more mature your home becomes, the more important it is to maintain it. This applies to your curb appeal as well.

Curb appeal is very important, not just for the appearance of your home, but for the entire neighborhood. Keeping up the appearance of the exterior of your home may not be as exciting as decorating the interior, but in many ways it is much more important. If a majority of the homes in the neighborhood are allowed to fall into poor condition, this screams "we don't care about our homes".

Attached to this newsletter is some further information about curb appeal. It should start with the condition of your house, the grass, landscaping, plants, fencing, etc. Little things like keeping bins out of sight, cleaning leaves out of the gutters, power-washing mold and fungus off the bricks or hosing the driveway may seem insignificant, but it all adds up to an attractive, well-kept appearance. Things like loud exterior paint colors, broken down cars, piles of trash, boats in driveway, falling gutters, broken fences can make your house look trashy and ill-maintained... and makes the entire neighborhood look trashy and ill-maintained. Worn down houses invite things like rodents, snakes and crime!

Your POA Board is charged with protecting the overall value and appearance of the neighborhood. Their duty is to ensure all homeowners follow the deed restrictions. The Board and property management company are not being "mean" by enforcing the rules and regulations - they are doing it because they care about the community and wish to protect not only your home values, but our neighbors as well. A poorly maintained community is a magnet for the criminal element. So by simply maintaining your home, inside and out, you are actively participating in maintaining your home value, the overall home values in the neighborhood and helping to reduce crime. Therefore, please do your part by respecting the rules and regulations of WBPOA. **REMINDER**: any improvements or major exterior work to your home (front and back) including painting, landscaping, etc. must be approved by the ARC Committee. The ARC Committee approval form is located at the back of this newsletter.

You can register for a deputy vacation watch by visiting the Precinct 7 website https://constable7.harriscountytx.gov and select "Vacation Watch". Forms need to be completed at least 7 days in advance.

See Something, Say Something!

PLEASE NOTE: Our deputies are diligent about patrolling our community, but they need our help. If you see something that does not look right, please call Dispatch at 713-643-6602 – you do not have to give your name or other details, simply report the action. If the matter turns out to be nothing, no harm done! Also, our deputies are listed on the front of this newsletter. There are ADDITIONAL Precinct 7 deputies who are not assigned to our neighborhood; however, the fact they are with the same Precinct only enhances our patrol. Should you have any concerns about our coverage, please contact Barbara Hite, your Board president, any Board member or Sterling ASI. You are also welcome to come to a Board meeting to express your concerns. If you plan a trip out of town, please get registered with Precinct 7 for a vacation watch – our patrol officers will be happy to help keep an eye on your home.
