

President's Letter

WSHMMA Community,

The WSHMMA Board would like to wish each and every one of you and your families a happy holiday season! Work and life balance is extremely important, so please take a few moments to catch your breath and enjoy the moment with family and friends. We are also in the early stages of outlining an agenda for WSHMMA 24. If you have any interest in public speaking please reach out to any board member or directly to dan.zaborowski@commonspirit.org. WSHMMA is a Diamond Chapter of AHRMM and every year we must get recertified, so any public speaking engagements from our membership counts directly towards recertification. Here is a link to our VP, Brian Bartel, doing a podcast with PowerSupply! <https://lnkd.in/gGcmvZe5>

WSHMMA 24 SAVE THE DATE

Nothing official yet, but please save the dates of August 7th-9th for the next conference. Once we have the venue locked in, we will formally announce and confirm the venue and dates. There will be another early bird special for all the attendees who sign up early. Start talking to your manager about the tentative dates and signing up as many coworkers as possible. We would love to hit 150+ attendees from 30 different IDN's....

CMRP Review:

The 2024 CMRP review schedule is still pending but will be Feb, April, and June....then also in August at the WSHMMA conference. Exact dates TBD...
