

# Client : Guide Ratios

The following client:guide ratios apply to walking and running groups in Wellington Park, including walking groups associated with other activities (eg. photography tours). For this purpose, recreational trails within Wellington Park have been divided into 3 categories. Each category has been assigned a client:guide ratio and a group size limit.

Trail Classification	Client : Guide Ratio	Group Size Limit
Category 1	14:1	30
Category 2	14:1	15
Category 3	6:1	14

**Note:** All fire trails are classified as Category 1
