Featured Alaskan Artist

Originally from Wisconsin where she learned her craft at a large jewelry manufacturer, Kasey Johnson has been our lead jewelry maker and designer in Alaska since 2015.

We were very fortunate to find someone that has experience in coordinating large-volume jewelry production.

There can be no truer statement than follows:

Our Makers Make the Difference!

Barn Wood Floor Display

This will be a centerpiece in your shop, drawing people in.

324 Bracelets, 192 Earrings, 36
Riverdrop Earrings, 96 necklaces

Register Display 12" counter Space
36 Earrings,
48 Bracelets

Tiered Bracelet Display

8" of counter space
84 Bracelets

If you don't see a display here that you want:

We have the ability to build custom displays to fit unique spaces, match wood and color swatches, and create unique form factors such as location-specific replicas of iconic structures such as the Washington Monument.
