## Genuine Pacific Northwest Nephrite Jade

We've been able to take advantage of a very large purchase of Nephrite Jade mined in Alaska and Canada. It took a significant commitment on our part to get the pricing within our normal price point of \$8.00. Order now for your chosen delivery date and to lock in this terrific price.

Here are a few designs, we have a number more, as well as necklaces. Order by style, but ordering an assortment is always best to get the full range of what is available at the moment
