SUPPORT PROPOSITION H ON 11/8/22 (Zero Tax Rate Change Bond Issue)

Proposition H is a zero-tax-rate-change bond issue that will be on the ballot this Tuesday, November 8th. If approved, it will provide funds for the Hazelwood School District for safety and security improvements, updates and renovations to athletic/activity facilities, classroom technology and network upgrades, purchase new school buses, and improve the energy-efficiency of facilities. Passage of the bond issue would not increase the district's debt service tax rate, which is used solely to fund construction and major repair and improvement projects in the district. A four-sevenths super-majority (57.14%) is required for approval of the bond issue. Click [here](#) for more information about Proposition H.

The Hazelwood PTA Council supports Proposition H and encourages everyone to vote *yes* on November 8th!

HAZELWOOD PTA COUNCIL FOOD 4 THOUGHT PROGRAM

In 2014 the Hazelwood PTA Council, in partnership with HNEA and the Hazelwood School District, started the Food 4 Thought program to help combat food insecurity in the district. We currently have food pantries in each of our high schools and at the Opportunity Center and they are accessible to any Hazelwood student in need. We focus on providing non-perishable, easy prep food items that can be sent home with students. We rely 100% on donations, so support from our community is key. Click [here](#) for more information and a flyer listing the food items needed. If your school would like to host a food drive, please contact Dr. Audrey Wittenauer at awitt@hazelwoodschoools.org.
