CRCC Bylaws

The Trustees have met on updating our club Bylaws. Please look for an email with the proposed changes in the coming months. The final changes will be presented at the November meeting for membership voting. Primarily the changes reflect a change in the balloting and election process, moving to a secure, electronic voting system. Every member will need to have an email address on the membership roster with Larry to receive a ballot (we sent emails and mailed notes in the past couple months to families without email addresses on our files).

Check the club website for planned activities and updates. Larry is very busy with listing the various activities on our calendar.

See you at the September 19st meeting.
