Welcome to the September edition of our club newsletter. With the start of school Homecoming parades, we need to have as many people as possible to sign up for the parades.

With only a couple of months left to enjoy cruising in our corvettes, I hope everyone is getting out and enjoying some cruising around the state of Iowa and the United States.

Looking forward to some new adventures from our Social Director Angie Duckworth. Sounds like she has some very interesting ideas.

September 21, 2021 is the first Eastern Iowa Honor Flight. There are two more flights in October. If we are allowed to come to the airport when they return let's have a great turnout from CRCC members to welcome them back. Due to covid-19 we will have to monitor their website and see what is allowed.

Thanks to Harold Wurst for arranging our August cruise and dinner out at the Circle C Saloon in La Motte, Iowa.

There will be a special vote at the September meeting on giving money to our four charities. I hope we have a good turnout for this meeting.

**Reminder that the September meeting is being held at Pat McGrath Chevyland. Social time is 6:00 pm and meeting starts at 6:30 pm.**

## From Our Historian

It's September now and as President Bob Bowen reported in 1970 “ It's almost the end of another year for CRCC and time to start thinking about next year and what we want to do for our club !! “Great idea Bob !!!

In September of 1970 A questioner was sent for club members to fill out. Some of the questions were to see if the meetings and events were run satisfactorily. What parties and events would you like to see more of ?? The big question .. Would you like to help on a committee ?? Sept 19<sup>th</sup> there was a fun rally with a party after and the entry fee was \$2.00

In September of 1980 There was a road cruise to Backbone with 12 cars going and one that was picked up in Central City. The club Dubuque had the about the same amount. There was a volley ball match and I'm sorry to report that CRCC lost. Terry Kocker had to use his Corvette as a pick up and piled wood onto his luggage rack. No explanation was given as to why this happened !! The club was at Backbone for approximately 5 hrs.

In Sept of 1990 Cindi Kocher reported the Lasagna party was a big success. The cost was \$4.00 a person. Larry Nelson cooked 10 pans of Lasagna and after expenses \$59.00 was turned over to the club. Bill Hampton offered the tip of the month ..... If you are going to buy a Fuzzbuster be sure to get one that advertises they will pay for your tickets if you get stopped !! No explanation was given as to why this tip was necessary !!

In September of 2000 Paul Hildebrand reported that a jack had been purchased for the Autocross events. The jack was in the loving care of Larry Armbrecht. Preparation were being made for the annual fall leaf run to be held in Spring Grove, Minnesota on October 14<sup>th</sup>. Thanks were given to all the members who helped with the highway clean up project, the attending of the Amana Balloon fest and the practice Autocross at Kirkwood College.

In Sept of 2011 CRCC members were asked to judge a corn bag toss tournament in the Amana's. Chris Thompson took charge of the event. It did rain a little but a great time was had by all. Karla Morrow of the Iowa Braille and Sight Saving School reported that there would no longer be any residential students at the school next year. George Letson was the winner of the 50 /50 drawing. Terry and Dennis Primrose took the club on a mystery cruise that at ended up at Bobber's grill on Coralville Lake.

In September of 2020 The clean up from the August duracho continued as did the shut downs from the Pandemic.

Have a wonderful September !! Your Historian, Malinda
