

PETITION TO SAVE THE SPOT

"To the Legislative Assembly of Ontario:

Whereas Sudbury's overdose death rate is three times the rate of the rest of Ontario;

Whereas an application was submitted to the Government in 2021 for funding of a supervised consumption site in Sudbury called the Spot;

Whereas the Spot is operated by Réseau Access Network with municipal funding that ends on December 31, 2023, the province must approve funding very soon, or the Spot will close putting many people at risk of death; Whereas in 2023 alone, the Spot had 1,000 visits, reversed all 17 on-site overdoses, provided drug-checking services and prevented many deaths;

We the undersigned petition the Legislative Assembly of Ontario as follows: to immediately approve funding for the supervised consumption site in Sudbury to save lives."
