Re: Support for the Meadows Hospital, North Las Vegas

Dear Mr. McDonald:

This letter is in support of the Meadows Hospital. This development will provide jobs in the community before and after construction.

With the Nevada unemployment the highest rate in years, there is no doubt that the job(s) aspect of this project is appealing.

However, I cannot understate the importance of what I feel a hospital will do for the citizens of North Las Vegas. A new hospital will provide the needed access to healthcare and provide a place for the citizens of North Las Vegas to go to address their family's healthcare needs.

I am encouraged to support such a project.

Sincerely,
