# *Super Kid*

---

*I am God's own son, I am a super kid,  
I care for all, I am like a cupid..*

*I love to dance, I love to play,  
I like to explore, I find my own way..*

*I am Mom's life, I am Dad's champ,  
I am a naughty horse, I have good camp..*

*I will stand for Good, I will hit the bad,  
I will plant more trees, I will trash all crap..*

*I will shower for good, I will add more fun,  
I will spread my charm like rays of sun.*
