# Fairy Doll

---

*I am a little fairy and I love to dance,  
I have come down here, by choice not by  
chance..*

*I am dad's darling, I am Mom's love,  
I am crazy little bird, I am a super doll..*

*I love to sing, I love to laugh,  
I love to play with butterflies in the park..*

*I love to dream, I love to fly,  
I hate those who make me cry..*

*I will spread smiles, I will bring charm,  
I love moon but I will shine like a star.*
