### Car Of The **M**ONTH

1969 Dodge Charger R/T  
Owner: Mike Schmitt

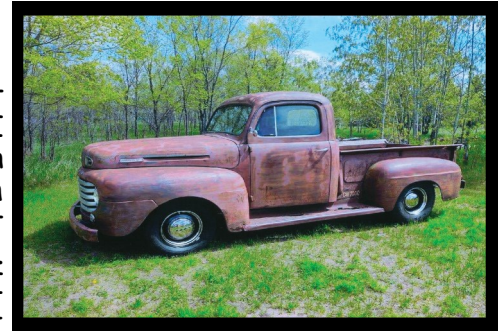

Thank you for voting for my 69 Charger. It came from North Carolina as a rolling chassis and a project car. The previous owner lost interest and ran out of money to finish it. I bought it without seeing it in person, but the owner described it as an easy project to finish. It seemed like a perfect fit for me. It was newly painted in Heme orange, but when the car arrived I realized the paint job didn't meet my expectations, so I had it repainted. I also had the engine rebuilt and installed a new white vinyl interior. There were many setbacks along the way, but eventually it all came together. It has a numbers matching 383 engine and the original 4 speed transmission. It is a blast to drive and considered one of the most desirable Mopar muscle cars. Mike Schmitt.

# President's Report

**Hello Everyone.** Well Spring is finally here, or at least the first day of spring is here according to the calendar. Weather wise I am not so sure. I hope everyone is staying healthy and safe in this ever changing weather. This month I went into the ditch trying to avoid a deer. Slid sideways and got stuck so far in that a gentleman with a truck and a winch couldn't even get me out. He noticed that I was wearing a Pantowners shirt and asked if I belonged to the club. I said yes, I did and that I was the President this year. We talked until the tow truck arrived and then we said goodbye. I invited him to a meeting and he said that he would think about it. I didn't get his name, but he was super nice. You never know what opportunities come your way. Hope everyone can stay safe and remember to be kind and helpful. You never know whose day you will make brighter

# Vice Presidents Report

I just got back from Florida, what a shock, from 70's and 80's to 6" of snow! Well, April will be for indoor car shows or for heading south, way south. May is coming, put away the snow blowers and shovels, uncover the cars and get them out of storage. Start the maintenance you didn't do last fall because of the "oh crap winter is here depression set in". It is time to get started on the "fluff and buff", washing and polishing. Car season will be here, hopefully!

I have a few new shows listed in the newsletter this month. Look close and again double check with me on dates, times, and places. If you know of any other events in your area not listed, let me know by emailing me only. Thanks, stay warm and keep praying for spring to come so the fun can begin!

## Car Show Chairman Report

Hi Everyone, everything is continuing to progress fine for the car show. In this past month I have contacted people for the major items and I am waiting for contracts for the fair-grounds, ice area and Mounted Sheriff's Patrol to be forwarded to me. Most of the other major items have been locked in.

What I'm working on now are some of the local sponsors, food for after the show, and publicity including finalizing the flyer at our up-coming Show Chair meeting on March 23rd. I plan to have the show shirts available at our May meeting. I'm in the process of checking with a few places for awards pricing and for the awards, the biggest news is Andy Mohs at Miller Buick GMC has agreed to pay for our car show awards this year! This is the second year he has made this great contribution to our show and it is greatly appreciated! The sponsorship is being noted on our show flyer, on our website and Facebook page. If you see Andy, please thank him for this!

One open matter we have is someone to fill the Gate Admissions Chair position that was vacated last year. If you can help with this, or know someone who can, please contact me at 320-330-9434. **Pray for nice weather the 3rd weekend in August!**

**Bob Halliday your 2023 Car Show Chair**

### **Ditch Cleanup Saturday April 29, 2023**

We have moved our ditch cleanup effort "Adopt-A-Highway" from State Highway 25 to US Hwy 10. We have a two mile stretch from the overpass at Rice east to Pine's Edge Grocery (New BP - old Marathon gas station). Between Mile Post Markers 163 and 165. MNDot may not have "Pantowners" identified on their road signs by the end of April, if not, they should be shortly after. We will gather at Dennis and Kathy's pole barn (11770 W. Lake Rd., Rice) on Saturday April 29, 2023 at 10:00AM. In case of bad weather, or too much snow, we will postpone to the following Saturday (May 6). We will leave by 10:15AM. We will park at the BP gas station parking lot and spread out from there. For west bound lanes, we can park at BP, at the turn off at 115<sup>th</sup> Street NW, and near the exit into Rice. For east bound lanes, we may be restricted and may need a vehicle to drop off workers. If you are not able to work the ditches, but want to still help, being a drop off vehicle would be great. Bring your classic ride, we will do a cruise after clean up. Will end up somewhere to grab a bite (location to be determined).

I will have safety vests and trash bags. Bring a poking stick, dry boots, and clothing appropriate for the weather. Hope to see you there. Dennis

Friends, A BIG High 5(0) !! to my beautiful bride Wendy Ellen on her 50<sup>th</sup> Anniversary of putting up with me! April 14<sup>th</sup> 1973 to 2023. We met in early fall of 1969 and after many times of begging her to go out with me she finally said "yes" in late November of that year. On April 14<sup>th</sup> 1973 she said "Yes I Do" and as Paul Harvey said Now You Know The Rest Of The Story. Thanks to her, my dog Harlie and I have never starved to death-yet. She is a wonderful wife , mother, grandma and cook. Definitely my life partner for 19,537 days of fun, but who is counting? Hopefully lots more to come. Bruce Theisen
