President's Report

Hi Everyone, It is hard for me to believe it is December already and we are closing out 2022! We have completed the transfer of our funds from RBC to Edward Jones and Joe Tetrault from Edward Jones will be give us a year end up date at our January board and February general meetings. Joe is committed to keeping the club informed of our financial position, which is something that has been missing from RBC in the later years.

Next, it is time for us to renew our memberships and as I stated last month, on the re-newel form this year we are asking that you list only vehicles added to your collection or vehicles removed from your collection. If everything is the same, just mark no change on the membership form. Also, all the Life Members please remember to turn in a form, even if you are not making any changes. As I promised the 2003 cars removed from the roster last year are being placed back in the listing. Again, it is also the time of year for board position nominations so please consider serving in a position, or recommending someone who you think would be a candidate. Note that we do need all of the positions filled in order to continue operating our club. If we should come to the point of having to proceed with dissolving the club, we will need to prepare the required documents and dispose of all the club's assets in accordance with the laws of the state of Minnesota and federal nonprofit 501-C3. We need our volunteers to help keep our club operating as one of the best car clubs in the state! Please see our notice elsewhere in the siftings, to see the perks of being on our board!

Last but not least, thanks to all who were able to come and help celebrate our club's 51st birthday on November 12th. You can't have a birthday party with-out presents, and I thank my wife Shirley for doing a great job of obtaining good gifts for all. I also want to thank Phyllis Balmer, Pete Torand and Dennis Arntson for the gifts they donated. As I said I have had the support of Shirley for the past 48 years, so she had influence on the location and meal choices, and also the center pieces, table candy and mints were all her ideas. For a re-cap, besides the meal and prizes, we did some special things to honor our past presidents and had a trivia game with a special prize of an original 1919 article describing the features of the new Pan Car. That prize was won by Bonita Brunn, Leroy Blanchard's Daughter, and Bonnie donated it back to the club to use in our Pan display, so I thank Bonita for that donation! We also had 4 generations of Pantowners present at the party - Carol Lauermann, Kris Schmit, Jordan Schmit and Aubrey Schmit - 4 generations are something not many clubs are able to claim! Look for their picture elseward in the Siftings.

May God bless you and your family at this time when we celebrate the birth of Jesus our Savior!
Have a Merry Christmas and a Happy and Blessed New Year!

Bob Halliday Your Club President

Vice Presidents Report

Hello Everyone, Hope everyone is enjoying the holiday season. Hope everyone had a nice Thanksgiving. We are coming into the time when new board members are elected. I just want to encourage everyone to start thinking about nominees. I didn't think I was cut out for being Vice President. But I took the leap and discovered with all the help the club members give, I managed this year just fine. You are not alone in this position. There are so many people to help you. I am looking forward to the next 2 years serving as President and Car Show Chairman. I know that I am not alone and that I will do fine. Please if you have any concerns about these positions just ask. There is so much help out there. Have a great Christmas Holiday and a Happy New Year.

Car Show Chairman Report

Hello Everyone, Well, this is my last month being on the Board. Thanks for all the help and support from club members and others over the last three (four) years. Being on the Board, and helping the club out on events has been fun. Sometimes a little bit of work, but enjoyable at the same time. If any club member has even the smallest interest for getting involved more in the club, now is the time (next year is always next year). The duties in each board position is noted in our club roster under the "Standing Orders of the St. Cloud Antique Auto Club" that can be found starting on Page 41 of the 2022 Roster. Also for further detail regarding board members, see Article IV of the By-Laws in Page 35-37. One thing I notice our Roster doesn't do, is go into detail for duties of Car Show Chairperson. Therefore at the December General Meeting, I would like to take the time to share detail of the chairperson's duties before nominations (thanks to Kevin Sanders for this idea). Since this may not provide enough time for some to consider the position, watch your email, I will try to send out a condensed version of these duties in days before the General Meeting. The Car Show Chairperson works from a book that lists all duties along with timetables. The use of this book, along with guidance from past Chairs, will make the job easier. Please consider running for the Board. Remember....this club started with people who had a common interest in having **FUN** with old cars. Let's not forget that we should hold onto that desire, and the benefit of making friends along the way. This club is what **YOU** make it. ++ Thanks go out to club members that helped me deliver Thank You plaques out to individuals and organizations that provided support to our 2022 car show. ++ If you don't have your Christmas Shopping done yet, I do have a few 2022 Car Show sweatshirts left. All sweatshirts are reduced to \$20 each. Hurry supplies are limited (I should go into advertising). ++ Still have 50th Anniversary Window Stickers for sale at \$1 each. ++ Remember...If you have a project you are working on, recently finished, or intend to do, please write an article along with photos to Jim Zwilling. Would love to see your story.....I know they are out there, or maybe you can share a "how to do" auto restoration idea. That's all I have for now. Thanks and remember to.....**enjoy the ride!**
