President's Report

Hi **Everyone**, This is going to be a good year. My goals for this year as President are to continue with getting the Pan Car out to shows and parades as much as possible. I find the history of the Pan Car to be very interesting and I believe there are a lot of other people that would too if they knew about it.

Also, to continue the restoration of the containers at the fairgrounds. We talked at the board meeting about needing to get some professional opinions from some of the car club members in regard to mold removal and painting.

Hopefully everyone is excited about the upcoming year and what is instore for the club. **Thank you to everyone.**

Vice Presidents Report

From the office of the Vice President

For my first article I thought I would give the members a short biography of myself. Note: Complete sentences are not required, short and to the point is my style. Here we go! Born in California, raised in Iowa, graduated HS in Minneapolis, college in Bemidji, taught Industrial Arts at Apollo HS 36 years (automotives - plus) , then SCSU for 15 years, retired in 2021.

Life goes by fast doesn't it! From age 13 to 38 I was a drag racer, stock to pro-stock, crewed on top fuel funny cars, and drove one (just 3 passes) FUN-FUN-FUN!!! Along the way, I flew planes and built model trains. Somehow I got the idea that street rodding would be cheaper-was I wrong!

I joined the club in 2000, ten years later I finished my '34 Ford, was on the board for a 3 year term in the twenty- teens something and now have committed to a 3 year sentence to serve the club. If past proves future, you probably don't need to worry much! So now the team work! I would like your help finding out where all the central MN. car shows, displays, parades and event are hiding. All of us together know more than one (me). So if you know of any events within a 100 miles of St. Cloud I will compile them, and publish them each month in the Pan-Siftings for everyone in the club.

Thank you so much your help and support. **Let's have a GREAT year.**

Car Show Chairman Report

Hello Everyone, Here I go starting the final leg of my 7 years serving on your board as director, V.P. (2 years with Covid), President and now Car Show Chair. As You may expect from me by now we will implement a few tweaks in an effort to make our show more attractive to others and continue to grow enthusiasm for our show. Keep in mind that our show is for the enjoyment of the people who attend it, so any tweaks we make for the most part come from suggestions and comments of those current or potential show participants. One of the additions is live music in the afternoon by Robby Vee, member of the Rockabilly Hall of Fame and son of the late star Bobby Vee. Hopefully this will draw more spectators as well as cars. Another is the addition of a Laid-Back Class to our show for people that just want to come to the show to enjoy it and hang out with their friends with-out being separated into different voting classes. This is a growing movement in the car hobby and I expect it to be well received. Other things we will look at is possibly revising some of the class year cut offs and or breakdowns in an effort to draw in more of the younger hobby enthusiasts. Also, this will include expansion of Corvette participation, partly in honor of the 70-year anniversary of Corvettes. All class reviews will be collaborated with our Parking Chair including a possible move of a class to the ice arena to make better utilization of that space. Finally, an idea I'm stealing from the Back To The 50's show is playing the National Anthem at the beginning of our show. I'm not sure we can arrange an air plane fly over like them, but we will at least play the Anthem. Tina, Dennis and myself met with the Fair board on Jan. 17th and I have locked in our show for this year on August 20th with prep work on the 18th and 19th. I'm currently working on the other show contracts, the T shirt design, flyer design and contacting people for the various chair positions. If we do have any show chair vacancies, I will post them in future Siftings and discuss at our general meetings. I have scheduled our first Show Chair meeting for Thursday Feb. 23rd at 7:00 P.M. at the Waite Park Moose. I know our club members make up a great team for our show and am looking forward to working with all of you! **Have fun with your favorite Valentine on Feb. 14th. Pray for nice weather the 3rd weekend in August!**
