### Car Of The **MONTH**

**1970 Chevrolet El Camino SS**  
**Owner: Jim & Mona Zwilling**

In 1978 I married my sweetheart Mona. At that time I was driving a 1972 Chevy El Camino. I always liked El Caminos and always said if I ever run across a nice one and I can afford it I am going to get another one and Mona agreed. Well a couple of years ago I got a call from another club member who was going to sell their '70 El Camino SS. I had seen this car (truck) at car shows and knew it was nice, and had told my son Brian that I would love to own that car. Mona and I went to look at it the next day. It was in a metal shed and had not been running for a little over a year and needed some TLC. We got it running and made a deal. I still have a few things I want to do but it is fast and fun to drive. It's has a factory 396 engine with auto trans and console, bucket seats, factory A/C, pwr windows, tilt wheel, pwr strg and brakes (front disc) and factory mag wheels. It's an honor to have it in our calendar and a pleasure to be part of the Pantowners. Jim & Mona Zwilling

# President's Report

**Hello Everyone.** Welcome to summer! Our club activities are in 'HIGH' gear. I would encourage all of you to support our community participation in the nursing home displays. Carol Ann as worked hard to set these events and I know the residents and staff appreciate it greatly. Local car shows have started. Thank you to all how came out to the Eagles Thursday night. The cars and the burgers were great. Let's get out to as many shows as possible. Be sure to take 'car show' flyers to share with other car owners. Personal is best, but in the cars is OK. Talk to people, give flyers to spectators also. More spectators at the show translates to a bigger better show for all. I would like to thank Randy Marchand for volunteering for the open VP position, with the approval of the Board of Directors and a unanimous approval at the May general member meeting Randy will start his official VP duties on May 25. I hope you will all encourage him throughout the year. Our June 8th General Membership Meeting will be out doors at Hidden Lake Park in St. Augusta. The address for your GPS is 23215 43rd Ave. bring your lawn chairs. The pavilion is covered so rain or shine we are good. Again thank you for your patents, I am learning, but I did not have the normal year as VP to prepare for the job!

## Car Show Chairman Report

**Hi Everyone,** The car show is getting closer, and everything is pretty much set at this point. I'm still waiting for the fairgrounds and the mounted patrol contracts to sign, both have said we are a go, so we just need the paper work. Robbie Vee will be at our show in the morning and will set to play from noon until 2 P.M. when we are planning to do the awards. We may have a radio personality be our D.J. for music until noon this year. The show is listed on line on some car show web sites, and will be listed in the MSRA Line Chaser monthly publication starting in June. The show flyer is on our own web site and Lily will be placing our flyer on a car show Facebook site. We have started distributing flyers at car shows, so if you are going to a show, please make sure you take some flyers with you to help distribute them. I'm working with Tr -County Broadcasting for show promotions on their 6 different radio channels to try and cover a broader cross section of people. I will also check with Townsquare Media about promotions on their 6 different radio channels and we will do our annual interview with their WJON radio again this year. I'm also checking into possibly doing some billboard ads. The show awards are on order and the proofs have been approved, and the dash plaques will be ordered in the next few days. As I write this the 2023 shirts are still in process, and I have started taking orders for them. This year we will have T shirts in 3 colors at \$12 each, sweat shirts in 2 colors at \$30 each, hooded zipper front sweat shirts in blue at \$35 each and caps at \$10 each. If you want to get an order in, please contact me at 320-330-9434. Paul Schmidtbauer has been helping line up people filling in as the temporary Show Gate Admissions Chair position that was vacated last year. I'm planning on a show chair meeting the week of July 17th. at the Moose to review any last-minute things that will need to be done. Chairs, please give me some feedback for the best day that week. **Pray for nice weather the 3rd weekend in August!**

**Bob Halliday your 2023 Car Show Chair**

## The Spring Cruise

We started at Benton Beach Park and headed toward State Highway 25 to Brainerd. We took a few turns and turned off Highway 210 into the Brainerd Airport. The Wings Café provided the lunch. My food was really good and the service was fantastic. From there we went to the Air Tanker base on the airport grounds a mile down the road. We were treated to special parking and what I would consider personalized service. We looked at five aircraft used in fighting forest fires. The crews of each aircraft gave tours and provided us with an oratory on the equipment and their respective jobs. Dan and I are considering the spring cruise a success. The café staff, seemed genuinely happy that we were there, the four separate companies that ran the firefighting at the airport were excited to tell us what they do. (it's my understanding they've never done a tour like this before.) The weather was fantastic. The final consideration was, we made a contribution to the club and it was much appreciated by the members that went. Dan and I would like to thank everyone that came on the cruise, and so far, being on the board of directors has been great experience.

Kevin Sanders

2nd year board of directors.
