Car Of The **MONTH**

1968 AMC Javelin
Owner: Roger Burton

I have owned this Javelin since 2002. It was purchased at the Pantowners Car Show that year. My son and I decided to re-build it in 2018. It took 3 ½ years to finish. We upgraded it with a 401 c.i V8 with 440 hp and 490 ft lbs of torque with a 700r4 transmission. We also added many upgrades. My son Mike did all the paint and bodywork. Roger Burton

President's Report

Hello, everybody. As a reminder, the new meeting spot is VFW Post 428 in St. Cloud. I believe this will be a better meeting place for us than our temporary one in Sartell. The meeting will still be held on the 2nd Thursday of the month. This will be our meeting place until the end of the year. Coming up at the next general meeting, the board will be bringing up new bylaw changes to look at. I am hoping that we will get a vote on the bylaws in May's meeting. This should give everyone enough time to look over before voting. This will also be explained again at the March meeting. The Spring Banquet will be Saturday, March 23rd at the St. Augusta Legion, but we must have everyone registered by March 8th so plans can be made for how many people will be there. I hope to see you there; it should be fun!

Car Show Chairman Report

All is well. We have a home for all our meetings for the year. They are at the VFW post 482 in St. Cloud. It will be the 4th Thursday of every month at 7:00. The February meeting was on the 22nd, not in time for March newsletter. I will have a full report at the next general board meeting and in the April Siftings.

The fair board has lowered our overall rent for the fall show, thanks for the efforts of Vince Theil. He's on the fair board and noticed that we were charged full price for Friday and Saturday, so the board changed it to half price for those two days and full price for Sunday only. Thanks Vince!

Spring "Trash and Dash" Event Saturday May 4th 2024 (10AM)

Its time again for our "Adopt-A-Highway" ditch clean up event. We have our signs on US Hwy 10. A two mile stretch from the overpass at Rice southeast to Pine's Edge Grocery (BP gas station). Between Mile Post Markers 163 and 165. We will gather at Dennis &

Kathy's pole barn (11770 W. Lake Rd., Rice) on Saturday May 4th at 10:00AM. We will leave at 10:15AM, We can park near the BP gas station and off the ramps in Rice. As in the past, we will start two groups at each end and meet in the middle (that would make about a 1 mile walk). I would like to have one helper vehicle to pick up walkers and get them back to their cars (Thanks to Barb Neske for doing this last fall). Following clean-up, we will do a car cruise, so drive your classic ride. Its always good to have a car cruise! We will end up somewhere to grab a bite (location to be determined). I will have safety vests and trash bags. Bring a poking stick, dry boots, and clothing appropriate for the weather. We were short on helpers last fall, so I really would like a head count first so that we can make this happen. Would like a have 16 walkers (four groups of 4), plus a vehicle runner. With only 12 walkers, it will take 1.5 to 2 hours to finish the job, with 16 we can get this done in about 1 to 1.50 hours. I will be passing around a sign up sheet to help me with a head count at the March and April meetings., or you may call me at (320)333-6019. Hope to see you there. Thanks! Dennis
