### Car Of The **MONTH**

**1970 Ford Maverick**  
**Owner: Dave Holt**

We have owned this car since the early 1980's. It was a stock original 6 cylinder car. It now has a 351 Cleveland engine, a C-6 transmission and a narrowed 9" rear axle. The front suspension is a Mustang II design with tubular a-arms and the rear suspension is a 4-link style using coil over shocks. I have done all the modifications to this car including the Acapulco blue paint. We dragged raced this car during the 1980's and 1990's and now it is a fun street cruiser. Thank you to the club members for voting for our car to be in the calendar. David & Janet Holt

## President's Report

**Hello Everyone.** I am sorry that it has come to this, but I have resigned as President from the club. It was my intention when I took over this position that I would be able to complete the 3-year requirement. With everything that is going on in my personal life, the demands of this position, and all the stress that happened on Thursday April 13th at the general meeting, I have determined that this is not something I can continue doing. My thought was that this position was going to be fun, a good experience, and a way to help the club. Unfortunately after leaving the meeting in tears, I determined this is not what I signed up for. This club is too political for me, and not much fun. This is my last report. Hopefully, the next president can handle all the stress.

**Your Past President Tina Holt**

## President-Vice President Report

**Hello Everyone,** Things change fast and due to medical reasons Tina had to resign as president at our last board meeting I have had to step into the role of president and will still be doing the job of vice president until a new volunteer VP will come forward. I have most of the VP responsibilities started as you can see below. I hope someone will step up soon. I'm sorry that I will not be able to attend the May general meeting for my presidential ingurgitation, but I had already planned a vacation for that week when I was vice president and didn't think anyone would miss me.

I'm forming a committee to review the club's by-laws over the summer. If you are interested in helping to shape the club for the next 10 years please let Lily know at the May general meeting so I can plan ahead. If you feel lead to be a part of the committee, talk to other members and bring theirs and your ideas with you. **The first meeting will be at my house on Thursday, May 25 at 7PM (915 Arbor Way, Sauk Rapids)** Be sure to start your planning process for the summer activities. Let's get to as many shows, displays, parades as possible. Support our club and community. (Maybe by next summer there won't be any more GAS!), and we will be converting to electric. I am just kidding, I hope. **Have a great start to the summer season and I see you at the events.**

## Car Show Chairman Report

Hi Everyone, Everything is moving forward for the car show. The ice arena fees have gone up for the year to over \$2,000. However, since we have always done a good job of taking care of the facility and making sure it is clean when we are done using it, the ice arena board agreed to lease us the facility for the same \$1,300 as we have previously paid. Thanks to Jim Stodolka and the rest of the ice arena crew for doing a good job caring for and cleaning the ice area and allowed us to get a great price break!

The other big news this month is Angela Sieben over at MCSI (Minnesota Computer Systems Inc.) arranged to have 5,000 show flyers and 300 youth award flyers printed at no cost to our club! Last year our cost for just the car show flyers was over \$800, not counting the youth award flyers, so this was a great donation to our show! MCSI sells copy equipment, so if you know of anyone in need of a new copy machine, please suggest contacting Angela Sieben, at MCSI. As I write this the 2023 shirts are in process. This year we will have T shirts in 3 colors, sweat shirts in 2 colors and in addition some hooded zipper front sweat shirts and caps by special request. I'm hoping to have them by the May meeting, if not I will have some proofs there so you can look at the options to place orders. We still have a need to fill the Show Gate Admissions Chair position that was vacated last year. If you can help with this, or know someone who can, please contact me at 320-330-9434. **Pray for nice weather the 3rd weekend in August!**

**Bob Halliday your 2023 Car Show Chair**

## **IMPORTANT** **ANNOUNCEMENT**

Because of some circumstances in her family life on top of the responsibilities of being our club president, Tina Holt decided it was best to resign from the office of President of the St. Cloud Antique Auto Club, effective April 14th, 2023. Tina and her husband Roger wish to remain active in the club helping with our Pan Car appearances. Tina also stated that she did enjoy her time as our club secretary and would entertain stepping back into that role in the future. In the mean time Tina wishes to concentrate on her family matters. On behalf of the club, I thank Tina for her service the past 16 months as the club Secretary, Vice President and President, and wish her well, with prayers for her current circumstances. At our April 20th Board meeting, our Board of Directors appointed Tim Goodner as the club President for the remaining 2023 term. This leaves our Vice President position open and the board is seeking a volunteer to fill it as quickly as possible. If you or someone you know wishes to apply for the office of our club Vice President, please contact a board member. Thank you, Bob Halliday

### **Sauk-Rapids/Rice Middle School Car Show**

901 1/2 St S, Sauk Rapids, MN 56379  
May 26, 2023 9:00 AM to 12:00 PM. Southwest parking lot.

4 groups of students will be visiting the cars with their Social Studies teachers. Each group will have about 90 students. Each group will have approximately 35 minutes to view the cars. The Social Studies teachers teach about how the assembly line made cars affordable and truly changed American culture. They have included the Pan Motor Company over the past 3 years as well. They also teach about car culture in the years after WWII. They have expressed interest in having around 20 cars that represent these time periods, essentially from the turn of the century through the 1960's.

If you would like to show one of your cars at this event and share it with these middle school students please contact Beth Reimer at [bethreimer73@gmail.com](mailto:bethreimer73@gmail.com) or call her at (320) 267-0192 after 3:30 pm. She will let the Social Studies teachers know the make, model and year of the cars that will be at the show so they can give their students an opportunity to explore them online before coming to the show.

## Membership Meeting Minutes

April 13th 2023

**Call To Order:** Bruce Berscheit called the meeting to order at The Moose in Waite Park at 7:30PM and led the pledge of allegiance. 63 members in attendance. Excused: Lily Prince (Secretary)

**New Members/Guests:** Al Neff (new member- owner of a 1967.5 Mustang, ask him why).

**Approval of Minutes:** Dorothy Paulson made a motion to accept the minutes with noted corrections below and seconded by Carol Lauermann. Motion was approved and carried. Corrections are as followed: In the Treasurers Report, "Jerry Klug" should read "Dennis Klug". In Board Meeting minutes of 1st Year Directors, "fall banquet" should read "fall tour".

**President:** Tina asked for options for location and getting donations of this year's Club Birthday Party (in November). Members had presented locations for consideration. Tina will continue to further develop plans. **May's General Meeting will be at Duane Gilleland's garage located in St. Joseph (same location as last year).**

Bring lawn chairs! Tina is looking at locations for June and July General Meetings. August meeting planned for Benton County fairgrounds, Tina to get approval from fair board.

**Vice Present:** Tim talked about upcoming car shows and parades (IE: St. Joe 4th July parade, Copper Kitchen shows starting first and last Mondays in June and last Mondays in following months, Eagles, and The Moose). New member badges are being made, and St. Cloud State Automotive Dept will laser apply the logo on the badges for free. Get your car photos to Darlene Dickinson for 2024 calendar vote, prior to the May General Meeting. Celebration of Life for past member Jim Feneis will be held on Saturday April 22, 2023 at his house from 1 to 6 PM. They are asking for car club members to help with shuttling people from street parking to Jim's house and back. If interesting in helping, call Bruce at (320) 333-8135. (This will have passed by the time you read this).

**Treasurer:** Bob Salmonson read through his report. Barb Neske made a motion to accept as read, and seconded by Darlene Dickinson. Motion was approved and carried. Bob asked if members had stamps on this months newsletter that were not canceled. As an FYI, Bob also noted that reusing non-canceled stamps is illegal. He noted that since we mail out less than 200 newsletters per month (some members get theirs electronically), it is cheaper to use stamps versus mailing bulk rate.

**Car Show Chair:** Bob Halliday noted contracts and other items with the show are moving forward. Noted that although rental cost for the Ice Arena have gone up, they will charge us the same as last year since we do a great job cleaning up afterwards. MCSI have printed our car show fliers this year for free. In past years we paid for off-set printing from POS. Bob is still looking for someone to cover Gate Admissions for this year's show. If interested, please see Bob.

**1st Year Directors:** Nothing new at this time.

**2nd Year Directors:** Kevin Sanders talked about the Spring Tour on Saturday May 20th . Meet at Benton Beach on Little Rock Lake at 8:30AM, tour leaves at 9AM. Going to Brainerd Airport for lunch. May 13th is registration deadline.

**3rd Year Directors:** Randy Fischer thanked everyone that attended the Spring Banquet. Pan Committee: Nothing new with the cars. Slim Carlson talked to the club about the history of the Pan Motor Company. He told of some of the misinformation out there and will help us to correct it. He will also help with changing the information board we use with displaying Pan cars.

**Old Business:** Dennis Arntson noted that the Youth Award fliers will be out soon. Ditch clean up is scheduled Saturday April 29th , meet at this house.

**New Business:** Bob Halliday presented a plaque to Ken Pflipsen, the winner of our annual model car contest. Bob Salmonson discussed the club's insurance policy. Questions over our policy as it pertains to providing beer at our meeting and events. Bob went into great detail as to what the policy says, what insurance companies have to say, what options may be available (if any) and what the State of Minnesota had to say. No vote was taken, but the general membership were in agreement with the board's decision posted last month.

**Announcements:** Jim Zwilling has been diagnosed with early stage colon cancer, keep Jim in our thoughts and prayers.

**Card Drawings:** Roy Bernick, Steve Wendt, Ken Pflipsen, Carol Lauermann, and Kevin Sanders.

**Badge Drawing:** Kim Hansmeier was drawn and not present. Next month will be \$90.

**Adjournment:** At 8:42PM, Bob Ebnet made a motion to adjourn, seconded by Ester Ebnet. Motion carried.
