Car Of The **MONTH**

1979 Ford F350 Wrecker
Owner: Kevin Sanders

Just as wonderful as your wedding day or the birth of your first child, is the day you bring home your own tow truck, (really, no not really). It was a great day though. I drove to French Lick Indiana and trailered it home. I drove 36 hours straight, I tried to rest but I was too excited. When I got home with my 1979 Ford F350, with a Holmes 1100 wrecker body, I couldn't believe how my life was changing. Suddenly I was respected by the upper echelon of society. Super Models were calling me for secret rendezvous, respected business men were asking my opinion on society trends. The governor was considering making one day "Kevin's Awesome Wrecker Day". I said no thanks, for I am too humble. Thanks, Kevin and Kristen Sanders

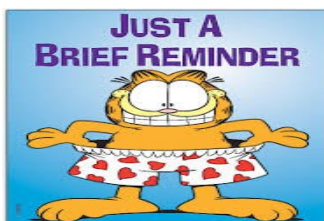

President's Report

November already!!!! It's birthday party month. This is #52! We honor our past presidents and old and new members that have founded, formed and sustained our club for these 52 years. THANK YOU to all of you. At this time we need to look forward to the year ahead and embrace change to maintain and grow our club. The biggest change right now is going to be changing our monthly meeting night or finding a new place to meet. The Moose has asked us to move our meeting night to Tuesday nights because more and more weekend events (Thursday through Saturday) are being booked at the Moose. Tuesday are generally wide open and the management would like us to stay with them. We have our November and December meetings booked with them now at 7:30 but they asked to start the change in January 2024. Our other option is to find a new meeting place on Thursday nights. The Board will be looking into other options to relocate and will bring you these options at the next general membership meeting on November 9th . Do not forget to mail me your registrations for the Birthday Party (November 18th) at Coyote Moon before November 9th . I must let Coyote Moon know by the 10th the final number. It should be fun. Don't miss it! I hope all of you have your "pride and joys" tucked in for the winter and are prepared for an early snow. NOT! Enjoy the fall and we will see you on the 9th .

Vice President's Report

Hello, everyone! We are getting close to putting our cars away, which is a sad day. The budget report has been finished for next year. The fall fun run was a good time with good company, good scenery, and good food. It's that time of the year to open up nominations for Vice President, Treasurer, Secretary, and Sergeant of Arms. I hope that others are open to being nominated. Without filling these positions, it makes it harder to run the club efficiently, so I hope people come forward and are willing to step up to the challenge! It will be worth it in the long run for you and the club.

Randy Marchand Vice President

Club Members: I am trying to track down the history or story behind this door. Nobody seems to know what it was used for, Summer Tour maybe? It came from the Elmer Dahl Collection courtesy of Jim Dahl. If you know anything about it call or contact Bruce Theisen at 320-253-3589 or 320-292-4383. It's circa 1990-91 as you can see. If no response it will end up at Midway, Sorry.

Car Show Chairman Report

As I write this, we are in the final phases of closing out the 2023 Car Show and Swap and I'm preparing for the thank you plaque party. A look at where everything is currently at, I see the number 2: There are 2 awards still finalizing pick-up by the winners; there are 2 sweat shirts left to be sold; there are 2 T-shirts left, ordered by club members, but have not been picked up yet; and I have 2 months left in my Car Show Chair position. In the next two months I will be completing my duties as Car Show Chair, distributing the thank you plaques and thank you cards and finalizing my notes to pass on to Tim. Again, Thank You to all in the club who were involved in any way with the show - as expected, our team came together and did a great job!

Bob Halliday your 2023 Car Show Chair

Seven steps to keep your favorite ride safe all winter:

1. **Get it clean.** Wash, wax and polish it up. This helps prevent corrosion and tarnish. It also keeps grit and grime from scratching your car when you put on its cover. And don't forget to vacuum and wipe down the interior, too.
2. **Fill 'er up.** Fill your classic car's tank with premium fuel and add a fuel stabilizer. The stabilizer will prevent evaporation that can lead to corrosion in the gas tank. Without a stabilizer, fuel can deteriorate and gum up your carburetor, making it difficult to start the engine come spring. After you add the stabilizer, run the engine for a few minutes to distribute it throughout the system.
3. **Change for the season.** Change the oil and filter and replace coolant, brake and transmission fluids to prevent corrosion during the winter months.
4. **Keep it dry.** While your classic car is in hibernation, moisture and humidity can lead to mold on its upholstery and carpet. Placing several boxes of baking soda throughout the interior can help absorb excess moisture.
5. **Give it air.** If you are storing your classic car for less than six months, you can prevent flat spots on your tires by slightly overinflating them before hibernation. If you are storing it for longer than six months, your best bet is to lift the car on jack stands to prevent strain on the tires.
6. **Unplug.** Disconnect the battery terminals or remove the battery entirely to keep it from discharging in storage. Use a battery tender to keep the battery charged until it's time to cruise again. If you remove the battery entirely, [follow these steps](#) to store it properly.
7. **Cover up.** Cover your vintage vehicle with a breathable classic car cover (not plastic). This will prevent moisture buildup beneath the cover. If you keep yours at home, just make sure the storage area is dry, and [take precautions to ward off rodents](#) that may crawl into the car for warmth (and end up chewing up your upholstery).

Membership Meeting Minutes

October 19th 2023

Call to Order: Tom Hall led the pledge of allegiance at the Moose Lodge in Waite Park MN. Tim Goodner Called the meeting to order.

Guests: none

New Member: none

Thank You to Tim Carlson, Jim Stodolka, Wade Tobin and Pat Doren-Tobin who brought in pop tops.

Thank You to all the club members who helped with the process of repairing the container. **Thank You** to John Trutwin for donation of the laminated copies of the Pandolf newspaper in memory of his wife Doris.

Approval of Minutes: Pat Doren-Tobin made a motion to accept the minutes as written and seconded by Nancy Laumeyer. Discussion and motion was carried.

President: Tim Goodner told us we won most club participation from the Little Falls Car Show. Tim reminded us the Club Birthday Party is on November 18th, at Coyote Moon and will be a buffet dinner with a social hour & games. Please have your name badges. Please register by November 9th. Tim is still looking for a member to become a public relations person and will be working on the bylaws next year.

Vice President: Randy Marchand talked about nominations for Vice President, 1st Year Board of Directors, Treasurer, Secretary and Sergeant at Arms. Budget committee has finished a budget for next year.

Treasurer: Bob Salmonson reported our accounts are doing good and we are insured. Esther Ebnet motioned to accept the report and Bob Ebnet seconded. Discussion with all in favor and motion was carried.

Secretary: Lily Prince had 3 thank you cards and is accepting membership dues for 2024. The roster has been started for 2024 and the Siftings mailings are also resubmitted at this time. I will give members a friendly reminder so hopefully no one misses out on the Siftings. I'm emailing the Siftings link to 146 members and we have used it for other notices like meeting changes. If You want to get on the email list let me know. your email can be omitted in roster, please call me at 612-327-6048.

Car Show: Bob Halliday thanked all the workers at the car show and announced because of all your hard work it was a successful show and reminded us of the Thank You Plaque Potluck Party on November 25th, 6:30 at Tim Carlson's shop in Sauk Rapids MN.

Board of Directors:

1st Year: Gary Anderson and Todd Whitney reported fall tour was a success.

2nd Year: Dan Arntson and Kevin Sanders had nothing.

3rd Year: Randy Fischer and Jim Stodolka, had nothing.

Pan Committee: Pan Car is Stored for the winter. Thank you, Pan Committee.

Old Business: Dennis Arntson announced Trash N Dash (ditch clean up) went great and we got it all. Done. We purchased a trailer for the valve cover race track and will be using the Catch Me If You Can fund for the trailer in the memory of Nick Prom.

New Business: Randy Marchand, Dennis Arntson, Bob Halliday, and Jim Stodolka have been looking at the Pan 250, looking into starting with chassis and wooden rims at this time and found parts we had in storage. They encourage all members to help by donating their car skills for this once in a lifetime restoration of possibly the only 250 Pan Car. They also Thanked some members who have donated time or money to this project.

Announcements: Starting in January our general meetings will be held on Tuesdays .The Moose has asked us to change our meeting day. The club is looking for nominations for Vice President, 1st Year Board of Directors, Treasurer, Secretary and Sergeant at Arms. Please consider nominations for a position. The winners of the card drawings were Keith Bauman, Tim Goodner, Ester Ebnet, Ray Schou-viller, and Donna Salmonson. Elaine Bauerly was not here for the badge drawing. November's drawing will be \$20.
