

LET US MANAGE YOUR RENTAL PROPERTY!

Our expert team of property managers are dedicated to providing high-quality support to tenants and landlords of both single-family and multi-family residential properties. Our property managers offer a convenient, streamlined approach to property management with our services ranging from rent collection to handling maintenance requests and evictions.

QUALITY CUSTOMER SERVICE

We use our resources to focus on delivering innovative services/programs to our members and providing quality customer service that you and your Tenants deserve! We charge an **8% monthly fee** of the rent payment for access to our property management services.

TENANT WARRANTY

We are proud to offer a **six-month tenant warranty**. If your tenant needs to be evicted within the first six-months, we will re-lease the property for you free of charge. (This excludes month-to-month leases.)

LOCALLY OWNED

We have a team of **local experts by your side** to manage your property. Our professional property managers have the skills and knowledge necessary to help your rental business thrive.

FULL TENANT SERVICE

We **specialize in full-service property management** including paperwork and leases, eviction filings and court proceedings, property advertising, tenant screening, maintenance services and move-in/move-out reports.
