

# Joint Task Force 22 to 0

## “UNITE, EDUCATE, AND CONQUER!”

**Are you a current or former member of the US Armed Forces, Law Enforcement and/or First Responders?**

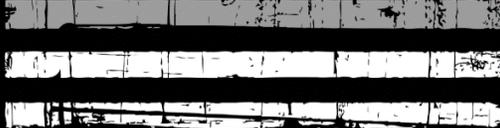

**Having some issues you feel like you just can't explain?**

**We know what you are going through and we can help!**

Joint Task Force 22 to Zero **unites** current and former members of the US Armed Forces, Law Enforcement and First Responders to **educate** them on the impacts of PTSD and service related suicide and empowers them to seek assistance to **conquer** these challenges and improve their quality of life.

The Vision of JTF 22 to Zero is to build and sustain a culture that reduces the stigma of behavioral health challenges and eliminates the incidences of service related suicide among a unified Military, Law Enforcement and Safety Services community.

**Join us at Matamoras Borough Hall on the second and fourth Wednesday nights every month at 7PM for our discussion group.**
