

Retail Architect – Exclusive Luxury Brand

One of the most Exclusive Luxury Brands in the World is seeking a talented and experienced Retail Architect to join their global design team.

The Retail Architect works on a team with two architects and two visual merchandising professionals to guarantee that the Brand's Retail & Wholesale Partners, Boutiques and Spaces align with Global HQ Design Guidelines and Standards.

The ideal candidate is not only a SKILLED ARCHITECT but also an EXCELLENT COMMUNICATOR as well as a CREDIBLE PROJECT MANAGER.

The Retail Architect will work on multiple projects simultaneously that vary in complexity and scope.

This is a HYBRID Position (part office/part remote) reporting to the Head of Architecture & Interior Design. Ability to Travel within US is required.

Key Responsibilities

Confirms that all "Brand Built" Retail & Wholesale environments are designed and executed to fulfill the Company's standards of excellence.

Guarantees exceptional Brand Presence at all Wholesale and Retail accounts.

Drives the successful implementation of Brand Architectural Guidelines and Strategies in support of Global Brand Design Standards.

Ensures that established Performance Metrics/KPI's and Goals/Deadlines are met.
