## **A Truly Mobile Sound Setup**

### **Ceremony**

- Whether you're planning to have the ceremony at the same location as the reception or separately, I have you covered with sound, inside or outside. I will help coordinate timing with playing bridal march and ceremony recessional songs to set as formal or elegant a setting as you wish.

### **Cocktail Hour**

- Planning to have your cocktail party in a separate space from the reception area? Not a problem with my wireless speaker and subwoofer setup. I will set up, and transition if needed, the sound system from one area to another throughout the day for a seamless transition between locations for you and your guests.
