

Valley of the Pines Golf Cart Rules and Regulations

- 1. Golf carts must be a manufactured golf cart. No go-carts, ATV's, off-road vehicles are allowed.**
- 2. All golf carts must have a visible light when operating at night.**
- 3. All operators of golf carts must have a valid driver's license. Children are not allowed to operate golf carts.**
- 4. A lot owner without a valid driver's license may submit a usage request due to physical impairment to the Board of Directors for approval.**
- 5. All passengers must be seated at all times. Passengers may not stand on the back or ride on the hood.**
- 6. The speed limit for golf carts is 13 mph.**
- 7. Valley of the Pines lot owners operating a golf cart in the Valley must have Liability Insurance on the golf cart, and must submit a copy of their Liability Insurance to the Board of Directors prior to operating the cart. This must be updated yearly upon expiration of the current policy, and a new copy given to the Board.**
