

Steuben County Building Permit

Before starting this process contact your local or county office, listed below in #5, for permitted uses or zoning restrictions.

In order to obtain a building permit in Steuben County, you will need to get the following letters/permits **in the order listed below**:

1. You will need a driveway permit application from the State or County Highway Department.
County – 1900 N 200 W, Angola 260-668-1000 x 3600
State – Fox Lake Rd, Angola 260-665-9506

2. If on a waste district, you will need a letter of consent from your district.
