Valley of the Pines Member Construction Request Form

Member requesting construction approval: (Please print) _____

Signature _____

Lot # _____

Date of request _____

Estimated start date of construction _____

No construction should begin without the approval of the Board of Directors first!

Construction Request Form to be submitted to the Valley of the Pines Board of Directors for review at the next scheduled meeting of the Board of Directors. Project request will be reviewed against the Valley of the Pines Protective Restrictions, Covenants and Limitations and the approval status will be communicated to the member within five (5) calendar days.

After Valley Board approval, it is the responsibility of each member to submit a request for building permit and comply with each of the required County Departments: Sanitation, Planning and Building Departments.

If there is any deviation from the approved request, a new request must be submitted.

Submit this form to each department to show the Valley of the Pines Board of Directors has approved the construction project.

Describe the project to be constructed on lot owner's property and attach a sketch or drawing defining the dimensions of the project and location on the lot with present RV size along with septic tank location.
