

LUXURY SKIN CARE

luxury cosmetics for face and body care. It is a brand based on belief that femininity has many dimensions and its foundation lies in inner beauty, strength, self-confidence and independence. By helping our customers to feel beautiful and young regardless of their age, we strengthen this unique potential that lies dormant in every woman.

WE LOVE WHAT WE DO

We combine professional knowledge of experts, we are inspired by nature and advanced technologies. We draw on the latest research and use the power of natural essences from plants, knowing that proper care is the best investment in the dazzling appearance of the skin.

BEAUTY IS STRENGTH

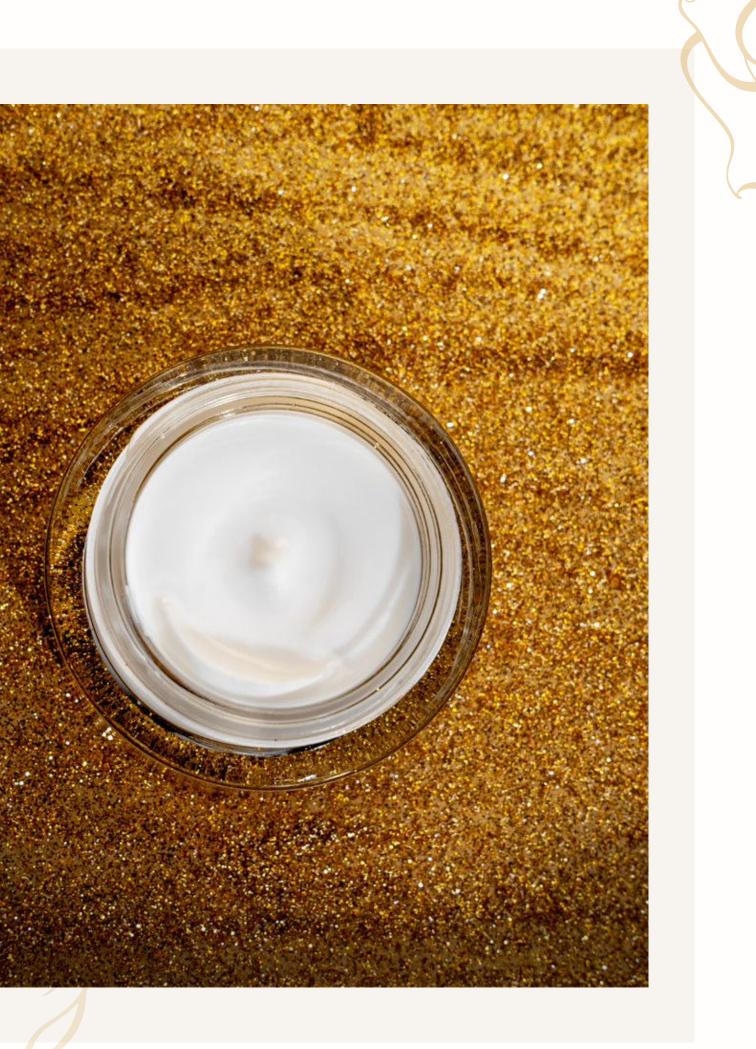

At Dermika, we believe that awareness of inner beauty is just as important as what we present on the outside.

FEMININITY STRENGTH SELF-CONFIDENCE

Dermika supports modern women in discovering different dimensions of beauty, wisdom, strength and independence.

WHY DERMIKA?

- to fight!

DERMIKA

• Women want to feel beautiful no matter how old they are.

• Younger and younger consumers are turning to care products to counteract the effects of the passing time they protect the skin from external irritants to enjoy radiant skin for as long as possible.

• More mature consumers are looking for products and product promises that will not remind them how old they are – because age is an asset not something they want

HOW TO RESPOND TO NEW CONSUMER NEEDS?

• Anti-aging claims will still be important, but they should focus on bringing out beauty and radiant skin regardless of the age.

• Active ingredients should bring out and protect natural beauty regardless of age.

CUSTOMER PROFILE

A woman who cares about her beauty because she knows that it gives her strength and self-confidence.

She knows her worth but also wants to be admired for her style and appearance.

She is looking for products of the highest quality and proven effects.

We want her to be convinced that she is buying Dermika for herself because she deserves it. It's a thoughtful investment.

- The most revelant group currently is 45-65
- Possibility of recruiting more women 30+
