What Makes Us Different:

We have a different approach when compared to other childcare providers. We try our best to make use of your children's time while they are with us and endeavor to provide them with high quality educational support through our learning activities. Our program combines both learning support and fun- making use of activities, both indoor and outdoor, to keep children occupied while they are in our care.

Goldhawk Tutors provides learning support services and quality childcare at an affordable price. Your child is in good hands- we are registered Ofsted Childcare providers, and our aim is to create an atmosphere of support and development for all children.
