

**Wed 6-15-2022 LANDSCAPING REPORT**

MSM LANDSCAPING week #34

1. Along Lessing by Doria: Cat Claw tree with many suckers growing along ground, suckers removed and tree watered. After a several rain seasons this will one day turn into a nice shade tree.

**BEFORE**

**AFTER**

**Oleander in Doria parking lot** we were trying to save from last year died. Need to replace.

**Doria entrance:** Trimmed 3 feet from cholla growing over curb onto street.
