BOARD MEETING

THE PREZ SEZ

JOANNA & MATILDA

Are you paying attention to this sign???? Apparently several people are not. This sign is there for safety purposes so let us all improve our driving techniques and observe the sign. Thanks -- "the life you save may be your own"!

Community

Thanks to all the people in our community who volunteer their time and service. This month our recognition goes to Bill Hutchinson. He painted the curbs in the parking areas for us. Thanks Bill. During his morning walks, Bill also picks up debris to help maintain the appearance of our community. Way to go !!!

Carole Bayer is the Newsletter Editor, so if you want to contribute an article please give her a call at 744-0932.

GARAGE SALE

If you are planning to participate in the garage sale, please return the yellow slip to President Gene or let him know ASAP. We need a certain number of families in order to conduct the sale and it is nice to advertize high numbers of families in order to entice more buyers.

In case you do not sell all those "treasures", you can call TEEN-CHALLENGE after 1:00PM and they will pick up your leftovers. Remember Friday night is homeowner's preview night -- so open your garage doors and bring lots of \$\$\$\$\$\$.

Everyone will be receiving guidelines for the sale the weekend before, kind of the do's and don't's for the homeowners and buyers.
