DCC&R UPDATE

By Sue Gac

PARKING:

Please note that we now have 2 new parking spaces at the East end of Doria Drive. Parking Permits are available if you need them. Thanks to those who have called and *have* gotten them.

SECURITY LIGHTING:

Do you walk at dark? Aren't the lights that are ON nice?

Remember to turn your outside security lights on. (Could you remember how to turn them on in an emergency?) If you think a fire truck or ambulance can see your house number without your light on - you're wrong. Go outside at night and stand in the street and see for yourself.

Editor's Note: Some security lights are set up for clock timers that need to be adjusted for the period of sunset to sunrise. Some lights are on during the day and off at night, most likely due to past power outages that turn off the timers. (This is a costly waste on your electric bill.) Some lights are on manual switches. The best and most reliable systems are those that have light sensors that are automatic.

SOCIAL COMMITTEE

By Sue Gac

Now that it's getting a little cooler again, let's try for a get-together in November. Let's do a dessert night like we did before. Bring a dessert to share and we'll supply coffee and hot choc. We'll have it at my garage (4825 W. Doria) from 6:00 to 8:00 PM on Saturday, November 11.

See you there!

In December, we are going to have our social at the CCCA Club House. I would like to try for a dinner - What do you think?

Let me know if it sounds like something you would attend. Call me at 579-9582.

SENIORS (55+)

Senior activities at Countryside Community Club are still on-going twice monthly - usually a luncheon and a field trip. If you're eligible (AGE 55+) and aren't there, you are missing some terrific home cooking and fellowship. Check out the Senior activities page in the Countryside Community Club newsletter, which includes a special Senior calendar.

Humor Corner

(Old Wise Sayings)

Always remember you're unique, just like everyone else.

It may be that your sole purpose in life is simply to serve as a warning to others.

If you think nobody cares if you're alive, try missing a couple of car payments.

If at first you don't succeed, skydiving is not for you.

If you tell the truth, you don't have to remember anything.

Some days you are the bug, some days you are the windshield.

Timing has an awful lot to do with the outcome of a rain dance.

Experience is the sinking feeling you have made this mistake before.

Remember when the funniest jokes were clean ones? They still are!
