It gives me an immense pleasure to introduce - White Black Legal - The Law Journal, which is an initiative to make a small contribution in the Research Field of Law and Sciences.

'White Black Legal' is a fresh attempt to restore the lost legacy of some of the greatest jurists of our times.

This Journal is an Initiative of SUMEG FINANCIAL SERVICES PVT LTD

White Black Legal Journals was born from the thought that the legal academia of the World has become somewhat static, even as humans continue to witness progress in leaps and bounds across other disciplines. Bearing the idea that law and social sciences need to change with the change in the society and social fabric of the world, this is a humble attempt that intends to reinstate the lost atmosphere of legal research and progress across the globe.

White Black Legal is an open access, peer-reviewed and refereed journal provide dedicated to express views on topical legal issues, thereby generating a cross current of ideas on emerging matters. This platform shall also ignite the initiative and desire of young law students to contribute in the field of law. The erudite response of legal luminaries shall be solicited to enable readers to explore challenges that lie before law makers, lawyers and the society at large, in the event of the ever changing social, economic and technological scenario.

We, at White Black Legal Journals believe in the principles of justice, morality and equity for all. We hope to re-ignite those smoldering embers of passion that lie buried inside us, waiting for that elusive spark
