Chairman and CEO,  
Robin Wilson Home

**My charity:** "In my day job as a project manager, I help people realize their 'dream' homes. But my involvement with Echoing Green helps others realize much larger dreams. We give seed money to organizations that provide medical insurance for self-employed people, create inner-city boarding schools and more." **Learn more at [www.echoinggreen.org](http://www.echoinggreen.org).**

**My style:** "I want comfort, fit and classic styling."

**JoJo's tip:** "This **Riders® Instantly Slims You Stretch Trouser** complements a curvy figure by hitting at the natural waist—and its no-gap waistband is great. Plus, its tummy control panel slims you—as does the smart seaming on this **Riders® Poplin Shirt**."
