

# HOW TO READ TABLATURE

Here, Numbers on the lines indicate the number of the **FRETS** and the **FINGERS**.

- 1 is for **INDEX FINGER (First Fret)**
- 2 is for **MIDDLE FINGER (Second Fret)**
- 3 is for **RING FINGER (Third Fret)**
- 4 is for **SMALL FINGER (Fourth Fret)**

There are 6 lines which indicates the Strings.

- 1 is the smallest string called the **HIGH E String**
- 2 is the second string called the **B String**
- 3 is the third string called the **G String**
- 4 is the fourth string called the **D String**
- 5 is the fifth string called the **A String**
- 6 is the biggest string called the **LOW E String**

Therefore, the first line on the above example says that

- 6th String First Finger First Fret.**
- 6th String Second Finger Second Fret.....and so on!**
