Hello and welcome to our family!

We appreciate you and look forward to Blessing you with one of our beautiful English Bulldog puppies. Our heart and soul go into our bulldogs, and we hope your family will enjoy them as much as we do.

Our puppies:

Our puppies are litter trained, microchipped, current on age-appropriate vaccines, deworming, frontline flea/tick preventative, Kentucky State Certified Health Certificate, AKC application for registration, health records, list of items needed before bringing puppy home, instructions for the care, safety and well-being of your puppy , gift bag containing toy, blanket, bowl, puppy folder, food, treats etc. and one year health guarantee.

Our guarantee covers:

Lameness due to severe dysplasia, severe cases of hypoplastic trachea, heart murmurs, cancers, pediatric cataracts, organ failure due to hereditary defects, illness due to DM, HUU, CMR1 (we do not guarantee them not to carry it but rather that you shall see no illness due to it). A State Certified Health Certificate ensures the puppy free of contagious disease, external and internal parasites and giardia at time of exam and is ready to be transferred to the new owner and is safe for transport.

We do not cover:

We cannot guarantee against contagious diseases or viruses once the puppy leaves our care as we cannot control where the puppy goes or what he or she is introduced to out of our care. We choose to sell our puppies to pet only homes however if we choose to give you full rights does not mean that we guarantee the puppy for breeding purposes, Problems due to loose skin some of which include recessed vulva, entropion or elongated soft palate. Cherry eyes, stenotic nares, or any other breed related issue not covered in this contract that may arise during the puppies first year or after.

Contract void if:

The condition of the puppy being returned will be evaluated by the Breeders veterinarian within 24 business hours after receiving the puppy back. The breeder has the right to refuse replacement puppy and refuse the return of the original puppy if the original puppy is found to have been neglected, abused, has sustained injuries, is sick due to contagious illness or ongoing sickness not addressed and documented by the buyers veterinarian and made known to the breeder before the return of the puppy. If all paperwork is not in hand with the puppy and transferred back into Stephanie Stamper's name including AKC application for registration and microchip transferred. If puppy has not been kept current on age appropriate vaccines, deworming and preventatives as these are fundamentals to owning a dog.

Deposits:

A nonrefundable \$1000 deposit is required to hold the puppy of your choice however If you are putting a deposit on a puppy who is under six weeks of age and not yet had his or her first veterinary exam your deposit will be refunded to you if puppy is found to have any health issues covered in our guarantee listed within this contract.
