**NO FEEDING OF
WATERFOWL**

**NO SWIMMING or
ICE SKATING
ON ANY OF THE LAKES**

FROM THE DESK OF OUR MAYOR

Take me out to the ballgame! My family had the opportunity to attend the opening day of the Dayton Dragons in Day Air ball field. It is amazing to see how that arena has revitalized that part of Dayton. Families, kids, seniors, couples everywhere! The facilities were so clean and inviting. The food was good, but cost was a bit high. The overall feeling that night was good. Celebrating the years of consecutive sell outs for the opening day. It inspires me to see how a place can look a bit rough around the edges but evolve over the years with some attention and care.

Brice with Access Engineering and the Wayne Lakes Sewer committee continue to work on the upcoming project. Construction is now projected to begin mid-May due to materials on order. Degen Excavating has started staging their equipment in our back park area near East Drive. Council will have more information to share after our next sewer meeting in May.

Sewer Work Agreements.... Please call the village office to make an appointment. Most residents have this completed. Thank you for your cooperation. For the few that remain please call 937-459-4111 and leave a message. We will continue to try and reach out when possible.

Goose pairing season is here. Please follow the general goose harassment guidelines provided by Ohio Department of Natural Resources. Please **do not** destroy nests. This causes an adverse reaction from the geese making them replace the lost nest. Geese do not know that all of the eggs will not hatch. Village personnel will addle eggs following guidelines provided. This reduces the large numbers hatching.

Chipping will begin soon. Please have patience with us this year due to truck issues. Our dump truck is not wanting to be a part of our process this year. We are looking to either find the parts needed to bring it back to our lot or find a replacement truck.

RESOLUTION NO. 2023-03-13-001 A RESOLUTION OF NECESSITY FOR RENEWAL OF A PREVIOUSLY VOTED FOR TAX LEVY OF 7.0 MILL FOR THE PURPOSE OF CURRENT EXPENSES FOR THE VILLAGE OF WAYNE LAKES, OHIO AND DECLARING AN EMERGENCY FOR THE SAME.

IMPROVEMENTS and updates coming to our community building. Council has budgeted for air conditioning to be installed and updates to the kitchen area. More info to come. We are looking for bids for the kitchen area upgrade. Please leave a message at 937-459-4111.

Darke County Parks grant application will be submitted in May. Plans to make needed improvements to our fishing areas and our playgrounds. More discussions are taking place, to be decided at our next meeting.

Street lighting!! Plans are being put together to increase the lights in our village. More to come.
