Wayne Lakes Beach

Joan Falknor

The beach has enjoyed another successful year. Thanks to the diligence and tenacity of our late mayor, Gary Young, we have a top notch, fully inspected and approved concession stand. (See attached menu) It was his vision to be able to offer Wayne Lakes residents a place to come for food and fellowship within the village, not just during the summer months, but spring, summer and fall. We are setting up tables for outdoor, lakeside dining on our handicapped accessible, observation deck. Call 547-1033 for carryout service. Talk to Joan if you need delivery service, she may be able to arrange that too. We will stay open as long as we have customers, possibly thru October.

Many thanks to all the contractors who made this dream a reality: especially our local guys Rod McNutt, Mike Bland, Tim Weidner, and Jamie Menger. Thank you Gary for hours of labor of love.

A big thank you as well goes to all the lifeguards, and Jackie Grant in the concession stand for keeping things running smoothly and safely.

FISH & LAKES MEETING

Tuesday, September 5th at 7:00 p.m.
The Community Building

Getting together for the good of the lakes and community. Come help!

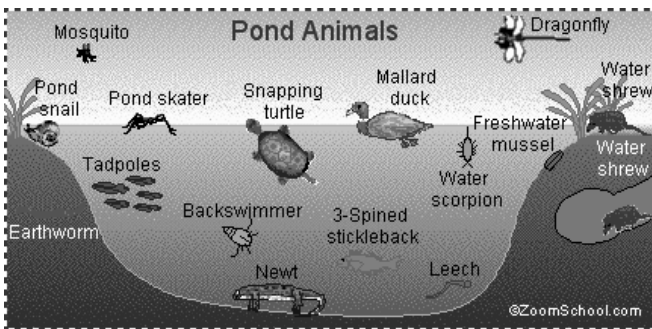

☺ Karen Sink 336-2293

A little from the August meeting, we can't get it all in one little article:

Are we, village residents, doing enough to help keep the lakes healthy?

What harms the lakes? Chemicals dispersed improperly, yard brush, leaves & trees not being cleaned up before they hit the lakes, septic water draining or leaking into the lakes, dumping into the lakes (including cigarette butts which are a big environmental concern due to the poisons), just to mention a few.

Those in attendance volunteered to reach out to organizations to gather facts about maintaining the best lake water possible, as this is an ongoing project with nature that can never be perfected, but progress is always good! KAS

It is time for an update on the progress that is being made in regard to the Village Sewage System Plan. Representatives from the **Darke County Health Department** will be present, as well as **Brian May from Access Engineering**. This is very important for our village.

ANNUAL VILLAGE HALLOWEEN PARTY PREPARATIONS

Doug Barger

It is time to start to pull things together for Halloween which will be here before we know it. **VOLUNTEERS** are needed!! If you can help, join my private Facebook group for volunteers for Halloween. <https://www.facebook.com/groups/484405648570130/>.

I am looking for *residents* who want to have fun and help with planning and execution of our **Annual Village Halloween party**. This is one of the biggest events of our community. I have not made any decisions on how this year will shape up. I am going to start a Group on Facebook just for the people who want to be committed and actively involved. 16 year old kids and older are encouraged to volunteer. I would like to hear your opinions; what is good and what is bad. We will see what we can do to make/keep our event the best in the county! If you have suggestions but don't want to be actively involved you can contact me through Facebook which is best, email to halloween@waynelakesohio.org, or call 937-564-0179.

The Village employed **Z&D ASPHALTING** for the recent pothole repair. David Hiteman with Jamie Menger's help found a need to fix up the basketball court, and will volunteer their services in doing so. We look forward to seeing a full court!! Thanks in advance!!
