From the desk of Wayne Lakes Acting Mayor, President of Council

The seats of Wayne Lakes Village council are once again full! Newly appointed council members Troy Stewart and Rita Robinett participated in their first meeting for 2020. A total of 4 potential candidates communicated interest in the seats. We are really pleased to have these two fine residents; they both bring experience to our village.

Vandalism continues to be observed. Please report anything that is out of the ordinary to the Sheriff office at 937-548-2020. We are reviewing the current curfew ordinance, with the assistance of the Sheriff's office. Updates will be shared in coming weeks. Residents please call the village office to identify streets that need additional lighting.

Brice with Access Engineering provided an update for sewer project progress. He is continuing to meet with representatives of New Madison, Darke County, USDA and others to solidify plans. For village awareness, survey crews will be out and about our properties in the coming weeks.

Most residents have now received their letter regarding requests for information. The sewer project committee is compiling an accurate homeowner/renter list. Thanks to the many people that have already emailed and called in your current information. We appreciate your help! For those who have not responded, please do so by email or leave a message at the village office. Messages are checked throughout the week and weekends.

Tax Season is here. Remember to file your 2019 return with RITA at ritaohio.com. Residents with no internet access may obtain a tax form printed in the village office.

Volunteers are needed for 2020 projects:

The village needs your help with goose population control activities that should start in March. To volunteer, call the Village office 937-459-4111. If you are having trouble with geese and want help, please call the office ask for options from ODNR.

The Hooked on Fishing- Not on Drugs program in June and July needs your help. To volunteer contact John Winger 937-678-7864 or the village office.

The village is currently looking for someone to run a bait shop this year. Please call the village office to discuss this opportunity.

Next council meeting will be scheduled for Monday, March 9, 2020, 7 p.m. in the council meeting room at the Village Office.

Respectfully submitted,

Linda Clark

Acting Mayor, President of Council
